

Episode 106

"Please Do Not Feed the Phantasms"

Written by

Taylor Castro

Based on

"The Haunting of Dylan Klaypool: Whispers in Black Willow"

by James A. Ross

OVER BLACK:

An engine stops. A car door opens. Heavy breathing.

1 **EXT. LIGHTHOUSE BEACH - NIGHT**

1

CANDICE GOOD wades into water, chanting...

CANDICE
*Astra intra regnum / cum omnes
erraverunt...*

She puts her head all the way under.

2 **INT. HOSPITAL, HALLWAY - DAY**

2

NURSES rush Candice into the hospital on a gurney.

NURSE (V.O.)
Room 103. We need an IV stat.

INSERT FLASH CUTS:

- **DYLAN KLAYPOOL** in the passenger's seat beside **MITCH VERLICE**, struggles to sleep.

- Dylan runs for her life in the woods.

A steady heart monitor BEEPS.

3 **INT. HOSPITAL, ROOM - DAY**

3

Candice Good lies unconscious. **JILL RODRIGUEZ** approaches, Dylan hesitant behind her.

NURSE
She won't wake up.

DYLAN
What?

INSET FLASH CUT:

- Dylan, in Mitch's car, struggles to sleep.

JILL
Mom. Mom, it's me. Your daughter.
Can you wake up for me? Mom. MOM!

Her eyes dart under the eyelids, but she stays unresponsive.

INSET FLASH CUT:

- Dylan, in Mitch's car, struggles to sleep.
- The MASKED MURDERER raises his rifle at Dylan. Clicks.

4

INT. MITCH'S CAR - DAY

4

Dylan jolts, half awake. She looks to Mitch in the driver's seat, his concern apparent. He pets her head.

MITCH

It's all right. Everything's fine.

She forces herself to sleep. Mitch's jaw tightens.

DYLAN (V.O.)

If I ask you something, do you
promise to respond with the truth?

5

EXT. VERLICE RESIDENCE - DAWN (MOMENTS EARLIER)

5

Mitch is loading the luggage while Dylan leans on his truck, looking out at the graveyard.

MITCH

I believe we've proven that's
really where I shine.

DYLAN

Are you gonna be like this the
whole trip?

MITCH

...Just say what you were gonna
say.

DYLAN

Do you think I really might be
losing my mind? Maybe never had one
to begin with.

He slows, coming closer.

MITCH

Why would you think that?

DYLAN

When I was being chased, I saw a
snake and it...

(MORE)

DYLAN (CONT'D)
it turned into a broom stick and I
grabbed it and flew away through
the sky like a witch.

MITCH
...OK. OK. And you think that
didn't actually happen? That your
experience was somehow not real?

DYLAN
No. I think it somehow was real.
That's what scares me.

6 **INT. MITCH'S CAR - DAY**

6

Mitch sighs, then turns the radio up. Soft.

RADIO (V.O.)
This is 99.3 The Crow, you're
listening to Black Willow Bulletin.
Turning it over to politics, Mayor
Hall is putting together a rally...

He takes the exit to BOSTON.

7 **TITLE CARD: EPISODE 6, PLEASE DO NOT FEED THE PHANTASMS.**

7

8 **INT. MORGAN'S OFFICE - DAY**

8

Morgan smiles, all sunshine.

MORGAN
Ladies and Gentlemen of Black
Willow, Massachusetts. I stand
before you as your mayor, neighbor,
and friend. Together, we've endured
storms, economic shifts, and even-

She pauses, reading cue cards, then tosses them aside.

MORGAN (CONT'D)
Damn it, Joseph, is this all we
got? It sounds like a high school
pep rally! You gonna vote for me,
Joseph? Because I what, Joseph?
Huh? Because I offered you head
behind the bleachers after second
period? Hm? No!

She paces back and forth, surrounded by two terrified
SUPERVISORS.

MORGAN (CONT'D)

The people are scared. Terrified!
We've got what? Like three thousand
residents? And you're telling me
one of them is a serial killer?
I'll bet you anything I got that's
gonna be somebody you know. No, the
people need something that says:
your fear stops here... Anyone got
a story we can push that says your
fear stops here?

SAWYER HALL peeks his head in the door.

SAWYER

Mom? You, uh, you got a second?

MORGAN

(to the supervisors)

Well, do you mind? My son needs a
second here. Thank you. Take five.

She rolls her eyes, flicks her hair.

MORGAN (CONT'D)

Come, Dear. Talk to mommy.

She taps a seat. Sawyer approaches, handing her a coffee.

SAWYER

It's about my friend... Dakota.

MORGAN

Well, what about Dylan?

SAWYER

Not related. Dylan's fine. I mean,
all things considered. But I think
we're just friends. Maybe.

MORGAN

Hm. And this... Dakota?

SAWYER

Yeah. Uh... she confided in me and
I recommended she talk to you.

MORGAN

To me? In this political climate?
About what, Dear?

SAWYER

Our school dean. Dean Richard.
He... He sexually harassed her.

Morgan's eyes sparkle with a single thought: opportunity.

MORGAN

Well bring her to me.

9

INT. HOSPITAL, ROOM - DAY

9

Candice's heart monitor beeps. Jill sits in a chair by her side while Miguel sits in another corner of the room, reviewing files. Neither look like they've slept much.

MIGUEL

Where's Dylan, Honey?

JILL

With Lexie.

Miguel nods.

MIGUEL (V.O.)

I need you to tell me what you've been up to. Actually up to, I might add.

10

INT. HOSPITAL, CAFETERIA - DAY (FLASHBACK)

10

Pudding dances on Dylan's tray. Miguel sits in front of her.

DYLAN

Why? You've never exactly been one to believe me.

MIGUEL

Nathan had more than enough evidence against him.

DYLAN

He hardly had any, and you know that.

MIGUEL

...I think there's a connection between Cuppa's disappearance and the jackass who tried to murder you. But I can't make any sense of it, Dylan. Not until I know what his motives might be.

DYLAN

Cuppa and I have always had one goal in common.

MIGUEL
Which is?

DYLAN
Proving you wrong.

11 **INT. HOSPITAL, HALLWAY - DAY**

11

Miguel, reluctant, pulls out his phone and dials the CHICAGO PSYCHIATRIC HOSPITAL FOR THE CRIMINALLY INSANE. He speaks out of Jill's ear shot.

MIGUEL
This is Detective Rodriguez. I'm
looking to speak with Nathan
Klaypool.

12 **INT. MITCH'S CAR, BOSTON AIRBNB - DUSK**

12

Dylan sleeps with her head against the window.

MITCH
We're here.

Dylan wakes up. She does a double take, admiring the city lights and the Airbnb's exterior. Do her eyes deceive her? It's stunning.

DYLAN
You're rich!

MITCH
Woah! It's one night, Dylan.

DYLAN
That's something only a rich person
would say. What else are you
hiding?

MITCH
Not my feelings. That's for sure.

Mitch opens the car door.

13 **EXT. BOSTON AIRBNB - DUSK (CONTINUOUS)**

13

Dylan exist the truck, struggling after Mitch.

DYLAN
OK. I think we need to set some
boundaries for the evening. Yeah?

MITCH

Yeah. Sure. I love it. Let's set
some boundaries... over dinner?

He holds up a Chinese take-out bag while walking into the
house, leaving Dylan all fumed up.

DYLAN (V.O.)

No spontaneous confessions of love.

14

INT. BOSTON AIRBNB, BEDROOM - NIGHT

14

Mitch and Dylan eat Chinese food in a room with double beds.

MITCH

I personally happen to admire my
sense of authenticity in the face
of rejection.

DYLAN

Well stop it.

MITCH

Fine. Then you've gotta stop
looking at me the way you do.

DYLAN

What way?!

MITCH

You know.

DYLAN

If anyone looks at anyone a certain
way, it's you. Mr.

Dylan gives Mitch an intense, borderline creepy stare. Mitch
LAUGHS, throws a chopped veggie at Dylan.

MITCH

I'm JOKING.

DYLAN

Yeah, OK... We sleep in different
beds. That's a given.

MITCH

Sure.

DYLAN

Anything else?

MITCH

Just do me a favor? Don't talk
about Sawyer.

DYLAN

Don't talk about Carrie.

A linger.

15

INT. HOSPITAL, ROOM - NIGHT

15

Jill wakes up with a book on her lap, still sitting beside her mom. Miguel is nowhere to be seen. She's about to leave when the noise stops her: a distant lullaby.

CANDICE (V.O.)

*Astra intra regnum / cum omnes
erraverunt...*

JILL

...Mom?

Jill turns, on edge. Her mom is right there, alive. She looks out the window. Nothing. Out of nowhere, her book breaks open. The pages flip wildly, landing on one with only these words: "Dedicated to my daughter."

DORTHY (V.O.)

Indeed! Indeed! We are witches!

16

INT. SALEM 1692, IPSWICH PRISON - NIGHT

16

DOROTHY GOOD is guided by a **MAN** across occupied prison cells.

DOROTHY (V.O.)

I am learned from birth! I wrote my
name in the devil's book. I gave my
blood to the snake! Now lead me to
my mother!

Dorothy is shoved into a cell.

DOROTHY

Mom.

SARAH GOOD writhes on the floor, sweat-soaked and screaming.
TITUBA kneels beside her.

TITUBA

Keep her still.

Dorothy rushes to Sarah's side, clutching her hand as another scream breaks through. Blood pools on the floor.

DOROTHY
Tituba! Will she live? ...Tituba!

Tituba grabs Dorothy's face, her hands bloody.

TITUBA
Do you trust me, Child?

Dorothy hesitates.

TITUBA (CONT'D)
By my word I give an oath that your mother shall live. She must only take my instruction.

Sarah lets out a gut-wrenching SCREAM.

17

INT. AIRBNB, BEDROOM - NIGHT

17

Dylan wakes up, also SCREAMING. A hand covers her mouth. It's only Mitch. He turns on the lamp and hugs her. It lasts.

DYLAN
Sorry. I get nightmares about The Crucible sometimes. It's stupid.

MITCH
What kind of nightmares?

He hands her water.

DYLAN
Mostly about Sarah Good and Tituba. But there's always a little girl in my nightmares, maybe 4-years-old. And she gets accused too because-

MITCH
Dorothy Good?

DYLAN
What did you just say?

MITCH
She's real, Dylan. Dorothy Good was the youngest person accused during the Salem Witch Trials.

DYLAN
...Violet. Was Violet real?

MITCH
Tituba's daughter...

DYLAN
I thought, I thought Dorothy was
just symbolic.

MITCH
For what?

DYLAN
Me.

MITCH
...Your grandmother. What's her
last name?

Dylan's eye shoot up at him.

18

EXT. BOSTON SIDEWALK - DAY

18

Boston looks beautiful, windswept and snowy. Dylan sits on a
curb alone, hugging herself and appearing deep in thought.

MITCH (O.S.)
Hear me out.

She looks up. Mitch has returned, handing her a coffee.

DYLAN
OK.

They walk down the street, sipping.

MITCH
Paranormal Nobodies: A Paranormal
Investigation and Awareness Agency.

DYLAN
What?

MITCH
Well, it sounds like "pair of
normal nobodies"-

DYLAN
No, I got that. OK, no I didn't.
That's actually very clever. But
what are you talking about?

They come up to a townhouse.

MITCH (V.O.)
That is how we'll introduce
ourselves to whoever keeps sending
in that case.

Mitch knocks. He winks at Dylan and her brows furrow. **SANDRA HUGH (late 40s)** opens the door. She looks vaguely familiar.

SANDRA
Hello. Can I help you?

DYLAN
...You're Sandra Hugh.

19

INT. SANDRA'S HOUSE - DAY

19

Mitch bites a fruit cake, trying to pretend it's not gross.
Sandra emerges from the kitchen with tea and snacks.

SANDRA
I suppose you want my alibi, but
I'm afraid it'll be in vain. He
threatened to kill me if I used it.

DYLAN
You're own dad?

SANDRA
...I thought perhaps I could clear
Raymond's name and still survive if
only I-

DYLAN
Disappeared.

SANDRA
Yes. But know this. I loved Raymond
very much. My father is a conniving
and bigoted man, fake to the core.
He'll stop at nothing.

MITCH
He's dead though. No? ...Sorry.

SANDRA
All it takes is an alias, Son. A
few alterations, and a desire to
stay out of sight. I should know.

MITCH
But everyone thinks he's innocent.
So why hide?

DYLAN

...Sandra. Was anyone else in recent contact with you about this? Clearing Raymond's name?

SANDRA

Well. An old neighbor of mine, but I haven't heard from her in months.

Mitch and Dylan look at one another, on the brink.

DYLAN

What. Neighbor?

20

INT. KLAYPOOL RESIDENCE, LIVING ROOM, 1989 - DAY

20

VHS footage from 1989. Candice points it at a mirror, waving to herself. She films **YOUNG JILL (17)** sitting, reading.

CANDICE (O.S.)

Say hello, Jill. What are you reading about?

JILL

Chemistry.

CANDICE

Oh, I'll tell you about chemistry.

Candice turns to the couch and there they are: **YOUNG SANDRA** and **RAYMOND COLE**.

CANDICE (CONT'D)

Introduce yourselves, lovebirds.

SANDRA

Hi, I'm Sandra. I'm seventeen?

She giggles, feeling awkward for announcing her age.

RAYMOND

I'm Raymond. Eighteen.

He smiles. The camera falls.

RAYMOND (O.S.) (CONT'D)

Thanks for letting me hide from Mr. Hugh here, Ms. Good.

CANDICE (O.S.)

Aw!

The video changes...

21 INT. KLAYPOOL RESIDENCE, 1989 - NIGHT

21

Frantic movements. Candice runs downstairs as SIRENS sound.

 YOUNG JILL
Mom! What was that? What happened?

 CANDICE (O.S.)
I heard a gunshot.

 YOUNG JILL
I heard three!

Through the window: police cars rush to "Hell House."

 CANDICE (O.S.)
It's the Hughs...

Candice runs to the front door.

 YOUNG JILL
Mom, be careful!

 CANDICE (O.S.)
Try calling Sandra, Sweetie.

22 EXT. KLAYPOOL RESIDENCE, 1989 - NIGHT (CONTINUOUS)

22

There is a blur of color paired with the sound of running and bated breath as Candice runs to her back yard.

She scans the scene outside Hell House, zooming in on **MR. HUGH**. He looks right at the lens. The video changes...

23 INT. HELL HOUSE, LIVING ROOM, 1989 - NIGHT

23

The camera positioned under some blankets. Candice sneaks away from it, finding her own spot to hide. An **OFFICER** enters, in conversation with Michael Hugh.

 POLICE OFFICER
You said this man, Raymond Cole,
he's been harassing your daughter,
a minor, for how long now?

 MR. HUGH
Oh, six months at least.

 POLICE OFFICER
And no one in the family allowed
him access into the residence?
Because according to your wife-

Mr. Hugh pulls out a blank check and hands it to him.

MR. HUGH

Not a one.

The police man stares at him, takes the check.

POLICE OFFICER

Thank you for your time, Mr. Hugh.

The police man leaves just as Sandra runs downstairs, crying.

SANDRA

WAIT! WAIT!

Mr. Hugh holds her back, aggressive.

MR. HUGH

What do you think you're doing?

A LOW BATTERY SIGN blinks on the screen's corner.

SANDRA

I don't care if you kill me! I'd rather die than have the world think you're innocent.

MR. HUGH

Did I not say no slaves in the house?

SANDRA

You're disgusting. You deserve to rot in prison. You killed my boyfriend in cold blood.

He SLAPS her.

MR. HUGH

And I'd do it again.

A sound comes from where Candice is. Mr. Hugh turns, alert.

MR. HUGH (CONT'D)

WHO'S THERE?!

Camera out of battery, the video goes black.

Candice sees her current reflection on the black screen.

SANDRA (O.S.)
 Last summer, she found a VHS camera
 that had been lost in the estate
 for years. Apparently she'd left it
 there in a hurry.

She pulls out the tapes, prizing them.

SANDRA (O.S.) (CONT'D)
 (CONT'D)
 After the house was abandoned, she
 searched and searched but could
 never find the camera. That is,
 until last Summer when Raymond's...
 spirit showed her where it was. I
 guess my father never knew what was
 on it.

Candice writes a letter titled, "Dear Sandra."

SANDRA (O.S.) (CONT'D)
 (CONT'D)
 Whatever was recorded, Candice said
 it was all the proof I'd need.

25 **EXT. KLAYPOOL RESIDENCE, MAILBOX - NIGHT**

25

Candice walks out into the night air, closing her robe. She
 slips the letter inside, and heads back.

DYLAN (O.S.)
 What happened to the footage?

Something stops her cold. Candice turns around, eyeing the
 empty street. Unafraid. She goes inside.

SANDRA
 I have no idea.

A masked face watches her close the front door.

26 **INT. SANDRA'S HOUSE - DAY**

26

Sandra sips tea.

SANDRA
 I haven't heard from her since.

DYLAN
 She's in a coma at Saint Barbara's
 Medical Center. And I'm her grand
 daughter, Dylan Klaypool.

SANDRA
Jill's girl?!

Sandra processes this, eyes getting red. She looks down at a
FRAMED polaroid of her and Raymond as teens.

SANDRA (CONT'D)
She's the one who introduced us.

Dylan half smiles, sad, and her eyes wander to Mitch.

27

EXT. BOSTON SIDEWALK - DAY

27

Dylan and Mitch walk down the street towards Mitch's truck,
brisk. Thunder sounds and wind rises.

MITCH
Miguel's right. Your grandma was on
the run. Maybe from the same guy
who tried to kill you?

DYLAN
Oh. Um. Maybe. Yeah she wanted to
disappear. The same way Sandra did.

MITCH
Shit! The blood pouring from walls
on the night of you mom's podcast!
It was him... Ah but he was just
trying to derail us back then. Why
the escalation? Dylan? Dillstick?

Mitch turns around. Dylan has completely halted.

MITCH (CONT'D)
What's up?

DYLAN
...Maybe we should back off.

MITCH
What?

Dylan reacts to his tone and he softens.

MITCH (CONT'D)
What makes you say that?

DYLAN
Well... m-my dad. Isn't this all
off course kind of? I mean, let's
say we find these tapes and clear
Raymond's name.

(MORE)

DYLAN (CONT'D)

We don't exactly need to prove
ghosts exist to do that, do we?

MITCH

Well no, not necessarily. But-

DYLAN

Right. So we can just tell Miguel
what we discovered, let him handle
it, and...

MITCH

(soft)

And what, Dylan?

DYLAN

Run away.

Mitch laughs.

MITCH

Run away? You wanna run away
together?

DYLAN

They did.

MITCH

They were alone! We have each
other.

Dylan cringes at this, like it was salt in a wound.

DYLAN

You don't understand.

MITCH

Then help me understand.

DYLAN

This case is alive, Mitch. That
ghost isn't just some guy from
1867. It's my mom's old friend. My
grandma is in the hospital.

MITCH

I know.

DYLAN

No, you don't. You never understand
the gravity of things. You think
all of this: ghosts, demons, psych
wards, death. You think it's cute.

(MORE)

DYLAN (CONT'D)

That it's aesthetic. Some sort of game. But it's not! It's not. And-

MITCH

I never think death is cute.

DYLAN

Ghosts are death!

MITCH

They're not! They're life enduring!

Dylan laughs.

DYLAN

That! Right there! No. No, Mitch. They're pain enduring. They're-

MITCH

PROOF. That something endures! That it doesn't just end. It can't just end.

DYLAN

I DON'T CARE.

MITCH

You don't care? You don't care? You don't care about what your grandma risked her life for? About Sandra? Or Raymond? Or what your dad got put away for?

DYLAN

NOT MORE THAN I CARE ABOUT YOU!

Mitch blinks as Dylan backtracks, staring at her shoes. It's raining by now.

DYLAN (CONT'D)

Not more than I care about us.

Mitch walks towards Dylan, gently cups both hands around her jaw, and kisses her.

Morgan sits at her desk across from an uncomfortable Dakota.

MORGAN

Dakota, I just want you to know I think you're incredibly brave.

DAKOTA

Thanks.

Morgan leans forward.

MORGAN

I say we do more than put this guy behind bars. I say we take it public.

DAKOTA

No, I don't-

MORGAN

You could be a voice for the people, Dakota. Tell your story.

DAKOTA

No, Mayor Hall, I don't want this out there. I just wanted t- to talk about it. Maybe make sure he wasn't a danger to anyone else. That's it.

MORGAN

Oh, but that's just it, Dakota. He is a danger. To all the other girls at that school. And let me tell you the more we pump that reputation up, the safer it'll be for all.

Dakota shakes her head.

DAKOTA

Thank you, Mayor Hall, but... I'm not ready for that. I'm very very uncomfortable with, with all of it.

Morgan's smile fades.

MORGAN

Of course. If you change your mind, my door is open.

Dakota rises, forcing a polite smile as she leaves. Once alone, Morgan shifts. She picks up her phone.

MORGAN (CONT'D)

Hey, Joseph. Listen.

29

INT. MITCH'S CAR - NIGHT

29

Mitch drives Dylan. He locks his hand into hers. She looks at their hands, at him: his profile in the glow of street lamps and shadowed rain, hair still wet. He does a double take at her and grins, chewing gum.

MITCH

What?

DYLAN

Nothing.

MITCH

You think I'm hot? You think I'm hot.

DYLAN

Shut up.

Mitch kisses her hand.

MITCH

It's ok, Dillstick. You're hotter.

Dylan rolls her eyes, all red.

30

EXT. OPEN FIELD - NIGHT

30

Dylan is between Mitch's house and her's.

MITCH (V.O.)

It's settled then. We'll pass the info to Miguel and hideout until they get the guy.

She looks up, spinning, swallowing rain water like it's snowflakes.

DYLAN (V.O.)

And then find some other way to prove ghosts exist.

31

INT. KLAYPOOL RESIDENCE, FRONT DOOR - NIGHT

31

Dylan opens the front door and shakes off the rain, bubbly.

DYLAN

Miguel! I have something to tell you.

32

INT. KLAYPOOL RESIDENCE, LIVING ROOM - NIGHT (CONTINUOUS) 32

Dylan enters the living room.

DYLAN

Migue-

He's sitting with Jill. They need to tell her something.

DYLAN (V.O.)

93% of communication is considered
nonverbal.

MIGUEL

It's your dad... I called to check
up on him and...

His words blur. All she sees is Miguel's shoulder, his jaw
moving somewhere in the distance.

DYLAN (V.O.)

I suppose that's how I once went 7
years without saying a single
thing.

Dylan's focus shifts to a small, lit candle behind Miguel.

MIGUEL

(muffled)

It happened four days ago. Your mom
had just paid him a visit.

JILL

(muffled)

He was bad, Dylan. The disease...

DYLAN (V.O.)

But you forget a little, where the
feeling is.

Somewhere in Dylan's peripheral vision, Jill reaches out a
hand. Dylan flinches away and locks in on Jill like she's a
stranger.

DYLAN (V.O.)

When words fly like that through
the enclosure of your throat.

33

INT. KLAYPOOL RESIDENCE, DYLAN'S BEDROOM - NIGHT

33

Dylan writhes on the floor, struggling to breathe.

NATHAN (V.O.)
 You can't run away from the past...
 It's just not worth it to be
 angry... we're all a little
 haunted, aren't we? Aren't we?

MITCH (V.O.)
 We're all a little haunted, aren't
 we?

Dylan gasps at the comparison, freezing still.

MORGAN (V.O.)
 We can no longer live in fear!

34

EXT. BLACK WILLOW ACADEMY - NIGHT

34

Dakota RUNS across campus, her breath strained. Sawyer is at her tail. Behind Dakota, distant, Mayor Hall speaks to the PEOPLE. A projector shows her face close up.

MORGAN
 No longer cower from the truth!

DYLAN (V.O.)
 My dad once said the stars would
 force me to feel, no matter how
 much they had to realign...

SAWYER
 Dakota! Dakota, wait! I'm sorry.

DAKOTA
 I fucking... I trusted you.

SAWYER
 I had no idea she was gonna put it
 on a damn projector for the whole
 town to see. Remember? She said-

DAKOTA
 But why does she even know?! That
 was so private, Sawyer. So fucking
 private. And you- you know what?
 No. I can't do this. I can't even
 look at you right now.

SAWYER
 Dakota-

DAKOTA
 Please just leave me alone. You
 have no idea how humiliated-

SAWYER
You shouldn't feel humiliated.

DAKOTA
Don't tell me how to feel!

SAWYER
I'm sorry.

DAKOTA
OK. And? Sorry doesn't do shit.
Sorry doesn't fix this. This is
fucked. I'm fucked. I can never
show my face in this town again
without being the girl that got-

She completely breaks down. Sawyer tries to comfort her, but she brushes him off.

DYLAN (V.O.)
...but try hard as I do...

35 **INT. KLAYPOOL RESIDENCE, DYLAN'S BATHROOM - NIGHT** 35

Dylan's phone vibrates wildly. It's Mitch, sending her text after text to ask what happened to her dad. He tries a call.

Dylan lays in the bathtub, emotionally empty. A cockroach crawls across the rim. She watches it, no reaction.

DYLAN
...I don't feel like he's dead.

36 **INT. HALL RESIDENCE - NIGHT** 36

Sawyer leans on the kitchen island, a BEER in hand.

REPORTER (ON TV)
In politics today, Mayor Hall's
polls for reelection are through
the roof after-

Sawyer shuts the TV off. He hears someone OPENING the front door, wipes his eyes. Morgan is on the phone, elated.

MORGAN
No way! You're shitting me. Tell
her I'm free Tuesday for lunch. All
right? Wait does she want the kid?
Eh I'll try it. No promises.

SAWYER

Dakota won't want to have lunch
with you, Mom.

MORGAN

Is that a beer? Hey. You should be
happy! Thanks to me that man'll be
behind bars. It's a win win.

Sawyer laughs, bitter.

MORGAN (CONT'D)

What? *What?*

SAWYER

Nothing... Dakota doesn't need a
win, Mom. That's just you.

MORGAN

Need I remind you who told me her
story in the first place?

SAWYER

For help! For someone to talk to!
Whatever, forget it. You're evil.

MORGAN

HEY.

SAWYER

It's true!

Morgan closes her eyes.

MORGAN

I admit that sharing Dakota's story
might help in the reelection, but
there are worse things than an
ethical side effect.

SAWYER

It just wasn't your story to tell.

He leaves her.

37

INT. KLAYPOOL RESIDENCE, DYLAN'S BEDROOM - NIGHT

37

Dylan sits at her desk, staring out the window. Emotionless.

MS. MARRERO (V.O.)

Mrs. Rodriguez, thank you for
taking the time to speak with me.

The clock rushes through all hours of the night. She's awake.

38 INT. BLACK WILLOW ACADEMY, HALLWAY - DAY 38

Dylan walks through the hallway, bypasses Mitch. He turns like it was a stab wound: being invisible again.

MS. MARRERO (V.O.)
I'm calling out of deep concern for
your daughter.

39 INT. KLAYPOOL RESIDENCE, DYLAN'S BEDROOM - NIGHT 39

Another night, new pajamas, the same spot.

MS. MARRERO (V.O.)
It seems she hasn't spoken in three
days, even when called upon.

40 INT. BLACK WILLOW ACADEMY, MS. MARRERO'S CLASSROOM - DAY 40

Dylan in class. Everyone looks to her. She has no reaction.

MS. MARRERO
I hardly think she's sleeping.

Mitch leans in close, whispering gently to Dylan. It makes no difference. Mitch breathes heavily, exchanging a concerned glance with Ms. Marrero.

41 INT. KLAYPOOL RESIDENCE, DYLAN'S BEDROOM - NIGHT 41

Another night, new pajamas, the same spot. Mitch is there, pleading Dylan to look at him.

MITCH
(muffled)
...I like it when you're mean to me
and I like it when you're sweet to
me. I like every broken and bruised
and bizarre thing about you and I
can't help it no matter how hard I
try. Please just talk to me...

Dylan's void almost breaks.

DYLAN
Go away.

Mitch looks at her, sobbing. And he goes away.

42 **EXT. GRAVEYARD - NIGHT**

42

Mitch digs while crying. He thrusts the shovel into the ground and keeps hitting it. A little harder every time.

43 **INT. BLACK WILLOW ACADEMY, CAFETERIA - DAY**

43

Mitch watches Dylan eat alone.

VEDA

I missed the meat here. And I got
us a gig. Tonight...

Mitch ignores her. Veda's glares at Dylan. She grabs her tray, walks to Dylan, and DUMPS the food on her.

MITCH

VEDA!

Everyone stares. Dylan looks at Mitch, then runs away.

VEDA

Can you hear me now?

MITCH

Oh I'm sorry. Was the death of my
girlfriend's dad and her subsequent
ghosting me getting in the way of
your congratulatory speech?

SAWYER (O.S.)

Girlfriend?

They turn to see Sawyer, who just entered.

MITCH

That's not how I planned to tell
you.

SAWYER

Just... forget it.

Sawyer leaves.

MITCH

Sawyer, I'm sorry, Man! We booked a
show. Are you coming?

He's gone. Mitch kicks the ground.

44

INT. GIRL'S RESTROOM - DAY

44

A dirty Dylan walks right into Carrie.

CARRIE
What the hell, Dylan?!

They lock eyes. Dylan goes to a stall. Carrie hears her cry.

CARRIE (CONT'D)
(sighs)
Dylan, I told you. This is where
people come to... shit.

A beat. She opens the stall.

CARRIE (CONT'D)
Are you ok? Veda?

Dylan nods.

CARRIE (CONT'D)
She's such a bitch.

DYLAN
...He's back. He's gone.

CARRIE
Who's he? Mitch?

Silence. Carrie almost leaves.

DYLAN
Mitch is safer without me. Ghosts.

Carrie furrows her brows, sits next to Dylan.

CARRIE
Lovey, look at me. Mitch is a big
boy, OK? And he's only afraid of
one thing: the living.

Dylan leans onto Carrie's shoulder. Carrie looks at her dirty
shirt, annoyed, but settles.

DYLAN
...Parker cheats on you.

Carrie looks at her: *like hell he does.*

45

EXT. MITCH'S CAR, SCHOOL PARKING LOT - DAY

45

Mitch walks to his car. Carrie approaches.

CARRIE
What the hell happened to Dylan?

MITCH
Since when do you care?

Mitch opens the door. Carrie slams it shut.

CARRIE
You're not getting it, Douchebag.
She was mute like a mental patient.

MITCH
I do get it. But there's nothing I
can do about it, OK?

CARRIE
"He's back. He's gone. Mitch is
safer without me. Ghosts?" That
mean anything to you?

MITCH
She said that? ...Thanks for
letting me know.

CARRIE
...Sure.

She leaves.

46 **EXT. SCHOOL PARKING LOT - DAY (CONTINUOUS)**

46

Carrie walks around a corner and finds Parker.

PARKER (O.S.)
I thought we agreed you wouldn't
talk to him.

CARRIE
That's funny 'cause I though we
agreed you wouldn't fuck my best
friend.

She walks away like it's nothing. Parker punches the wall,
hurting his hand. He turns away, makes a call.

47 **INT. HODGE RESIDENCE, MASTER BATHROOM - DAY**

47

Lexie grips the edge of the toilet, slowly straightening. Her
phone buzzes— PARKER. She hesitates, then answers.

PARKER (V.O.)
 Hey, fucking whore! Do me a favor
 and lose this number, all right?

The line goes dead. Lexie lowers the phone, hand shaking.

She pulls open a drawer beneath the sink, rifling through empty makeup containers and loose toiletries. Nothing. She slams it shut. She opens another drawer, her hands moving faster, desperate.

LEXIE
 Come on, where are they?

She grabs an old pill bottle, shaking it. Empty. Her gaze catches on a small box wedged in the corner. She pulls it out, sets it on the counter, and lifts the lid. Her breath hitches, fear and disbelief wash over her.

Inside of the box is THE MASK.

REVEREND (O.S.)
 Confess thy sins, or perish.

48

EXT. SALEM 1692, PROCTOR'S LEDGE - DAY

48

A sunless, stormy day. Tituba and Dorothy are held back by MEN and CHAINS. PURITANS surrounding them, all looking ahead.

REVEREND (O.S.)
 We ask thee one last time. Denounce
 the devil, and we shall spare thy
 life.

Spoken simultaneously with:

DOROTHY
 MOTHER!

TITUBA
 (pleading)
 Confess it, Sarah! Confess!

Sarah Good stands beside FOUR OTHER WOMEN, all with a noose around their neck that's connected to a tree.

SARAH
 I CONFESS. I confess to wrath... To
 lust. To a life of envy and sloth.
 To the lovelessness inside my soul
 for the barren planes of thou
 hateful, greedy hearts.
 (MORE)

SARAH (CONT'D)

My infant lies dead in a prison but
two hours old, and I name her
MERCY. For all is gone from Salem!
Yes I confess my sins, but should I
die so be it. For of them all, I
shall not lie.

Sarah locks eyes with Tituba.

REVEREND

Tituba, dost thou hold true to thy
word of having seen Sarah Good
bewitched by the devil?

Everyone looks at Tituba...

SARAH

(singing)

The Lord is compassionate and
gracious / Slow to anger, abounding
in love.

The Puritans respond with mixed reactions, some afraid and
others moved. The accused follow Sarah's lead, in harmony.

PURITIAN

They charm us!

Yelled simultaneously with:

PARITIAN 2

It is but a psalm!

REVEREND

Tituba, speak!

Spoken simultaneously with

DOROTHY

MAMA!

SARAH AND ACCUSED

(singing)

He will not always accuse, nor will
he harbor His anger forever / He
does not treat us as our sins
deserve or repay us according to
our iniquities.

Heard simultaneously with:

REVEREND
 Speak now or stand with them! Didst
 thou see Sarah Good dance with the
 devil?

VIOLET WARCLOUD pushes through the crowd.

VIOLET
 Mother!

DOROTHY
 TITUBA!

Tituba looks between Violet and Dorothy, then the reverend. A beat.

TITUBA
 Indeed I did.

A kick, and all the accused are hung.

49 **INT. KLAYPOOL RESIDENCE, DYLAN'S BATHROOM - NIGHT** 49

Dylan lays in the bathtub, sound asleep as the doorbell RINGS repeatedly. THE SHADOW MAN wisps into the room.

DOROTHY (V.O.)
 You promised.

Dylan's eyes bolt open, her chest contorting.

50 **INT. DYLAN'S HOUSE, FRONT DOOR - NIGHT** 50

Carrie opens the unlocked front door with eerie hesitation.

CARRIE
 Dylan? Dylan's mom? Hello? I just
 came to... check on Dylan.

JILL (O.S.)
 Carrie?

Carrie turns to see Jill entering with groceries.

JILL (CONT'D)
 What a surprise-

A piercing CRY shatters the overhead lights, raining shards of glass and sending both women into near pitch blackness.

JILL (CONT'D)
 Dylan.

Jill abandons her groceries and sprints upstairs, Carrie close behind.

51 **INT. KLAYPOOL RESIDENCE, DYLAN'S BATHROOM - NIGHT** 51

Jill opens the door and the shadow man runs through her. She blinks, unable to process it, as Carrie comes in from behind and SCREAMS.

52 **EXT. SMALL OUTDOOR CLUB, BACKSTAGE - NIGHT** 52

Mitch paces backstage while Veda prepares to perform. Sawyer runs in. Mitch exhales, grateful for him.

ANNOUNCER (O.S.)
Next band we've got comes from
right here in Black Willow. Let's
hear it for Stupid Ball Pit Cult!

Carrie runs in, pushing through GUARDS. Her face is tear stained, her hands and shirt bloody.

CARRIE
Let me through! Get your hands off
of me! Mitch! Mitch!

MITCH
Carrie?

VEDA
Mitch. Come on.

MITCH
(to guards)
It's fine. She's with me.

The guards let her pass, but Veda gets in the way.

VEDA
Actually, you need a pass.

CARRIE
Fuck off, Veda.

VEDA
Hey!

MITCH
Let her through.

VEDA
What?

ANNOUNCER
Uh... Stupid Ball Pit Cult?

VEDA
Go on stage!

MITCH
There's obviously something going on here!

CARRIE
There is. It's Dylan. We don't know what happened. I was there and we heard this scream. And there was all this blood. I don't- I don't-

MITCH
Carrie! Just tell me she's alive. Please!

CARRIE
She is, but-

VEDA
Too bad.

Mitch gives Veda the worst look he has.

MITCH
Where is she now?

CARRIE
The emergency room.

MITCH
Let's go.

Veda holds Mitch back.

CROWD (O.S.)
(chanting)
STUPID BALL PIT CULT. STUPID BALL
PIT CULT. STUPID BALL PIT CULT.

Heard simultaneously with:

VEDA
If you leave, I am no longer your friend.

MITCH
(to Sawyer)
It's all yours, Homie.

Mitch tosses him the mic then looks at Veda, still speaking to Sawyer.

MITCH (CONT'D)
I'm sorry for not doing that
earlier.

Mitch looks to Sawyer now.

MITCH (CONT'D)
And for everything else.

Sawyer nods, overwhelmed. Veda holds Carrie back.

VEDA
It's not too late for our plan.

CARRIE
You're sick.

Veda watches them go.

53

EXT. SMALL OUTDOOR CLUB, STAGE - NIGHT

53

Sawyer's beaten converse step onstage. THUNDER rolls.

SAWYER
Hello-

The mic screeches and the CROWD covers their ears.

SAWYER (CONT'D)
Sorry.

A soft drizzle. He looks out, and sees her: Dakota. The performance begins, intercut with...

54

INT. MITCH'S CAR - NIGHT

54

Mitch tries to focus on the road.

MITCH
Tell me more.

CARRIE
It was so bad. Her cry- like, like
no one had ever felt that much
pain. And... she was in the bath,
Mitch. Full of blood just like-

MITCH
It wasn't her.

CARRIE
I'm pretty sure it was her in
there.

MITCH
No. I mean, it wasn't... she wasn't
trying to-

CARRIE
Mitch-

MITCH
SHE WASN'T, OK? Please just... just
trust me on this.

CARRIE
But-

MITCH
NO.

Seeing Mitch's eyes redden and his hands tense, Carrie looks
away and finds rolls of toilet paper at her feet. She picks
one up, looks at Mitch.

MITCH (CONT'D)
Sorry about that.

Mitch gets a better look at the toilet paper. Tears stream
down his face.

MITCH (CONT'D)
No I'm not.

55 **EXT. SMALL OUTDOOR CLUB, STAGE - NIGHT** 55

It's a full downpour by the time Sawyer hits his chorus.

56 **EXT. EMERGENCY ROOM - NIGHT** 56

Mitch and Carrie run from his car into the emergency room.

57 **INT. EMERGENCY ROOM - NIGHT (CONTINUOUS)** 57

Mitch and Carrie run to the ER. A security guard stops them.

JIM
Family only past this point.

MITCH
That's not happening.

JIM
Excuse me?

CARRIE
Mitch...

MITCH
That is NOT happening.

JIM
Son, you're not allowed-

MITCH
You have to let me in. Jim? Please.
Please! I'M NOT FUCKING KIDDING LET
ME IN RIGHT NOW!

CARRIE
MITCH!

The security guard reaches for his taser.

MIGUEL (O.S.)
They're with me.

Mitch looks at Miguel, eternally grateful.

58 **EXT. SMALL OUTDOOR CLUB, STAGE - NIGHT**

58

The crowd is singing with Sawyer by this point. Everyone except for Dakota, who's too in awe. The song simmers.

59 **INT. HOSPITAL, ROOM - NIGHT**

59

The door creaks open. Miguel, Mitch, and Carrie step inside. Mitch freezes, his gaze locked on Dylan-pale, her breathing steady under the dim glow of the monitors. Jill is sitting beside Dylan.

JILL
(to Miguel)
You shouldn't have let him in here.
We need to keep our minds open to
any potential causes.

MITCH
What are you suggesting? WHAT ARE
YOU SUGGESTING?

Jill stands, leaves. Mitch runs out after her.

60

INT. HOSPITAL, HALLWAY - NIGHT (CONTINUOUS)

60

Jill walks down the hallway, followed by a raging Mitch.

MITCH

IT WAS THE SHADOW MAN AND YOU KNOW.

Jill stops cold, turns around.

JILL

What did you just say?

MITCH

It's the same type of cuts from when she was a kid. Animalistic. And you know it's not the masked murderer because he's got a gun.

JILL

"The Shadow Man" does not exist.

MITCH

Who are you gonna blame this time, huh? Her dad? He's dead.

Jill's eyes shift.

MITCH (CONT'D)

(CONT'D)

He's dead, isn't he? ...You lied. You lied?!

JILL

Listen to me. With Nathan gone, she's free to focus on what's actually going on in her life. You don't think a grandmother in the hospital and a masked murderer on her tail is enough to deal with? Dylan cannot handle the truth and neither can you.

MITCH

Try me.

Jill comes closer, whispers with intensity.

JILL

Nathan was my husband. You don't think I had a better grasp on the situation than his 6-year-old daughter? Nathan was a ticking bomb. Psychedelics friend his brain and he spiraled.

(MORE)

JILL (CONT'D)
 Diagnosed with severe
 Schizophrenia, paranoia, insanity.
 Long before Dylan's fits even
 began. You want a picture? Imagine
 a grown man spending every night
 outside his daughter's door,
 humming in latin.

Mitch falters, but holds her gaze.

JILL (CONT'D)
 (CONT'D)
 I spent all of those days terrified
 for my life not because of the
 dead, but because of the living.
 And I'll not have my only daughter
 follow in his footsteps. You think
 the shadow man is real? It's his
 madness infecting her.

MITCH
 That's not true.

JILL
 Isn't it? Look at her! She's
 breaking under the weight of your
 delusions. Those wounds are self-
 inflicted, Mitch! Every single one.
 You really believe they'd still be
 bleeding after ten years?! I come
 home to find my daughter cut up in
 a bloody bathtub and you have the
 nerve to tell me it was a *ghost*?!

Something changes in Mitch. Jill nods to her own words,
 internally fighting the validity of what she saw.

JILL (CONT'D)
 Every paranormal experience you've
 ever had, I've created a profession
 out of explaining. Mitch, it is
 vital that you face this. Ghosts
 have never been anything other than
 an allegory for people broken by
 the past.

61

EXT. SMALL OUTDOOR CLUB, BACKSTAGE - NIGHT

61

Dakota makes her way through the crowd, going backstage. She
 finds Sawyer. They talk over the noise.

DAKOTA
 You're mom called. To apologize.

SAWYER
Are you still running away?

Dakota nods.

SAWYER (CONT'D)
Did you at least enjoy the show?

She kisses him.

62

INT. HOSPITAL, ROOM - NIGHT

62

Mitch enters Dylan's hospital room, soft. No one is inside besides them. Coming closer, he runs his hands along her bandages. He brushes the bangs aside to take in the scar on her head.

A young boy's laughter echos in his head: his own.

INSERT FLASHES:

- Summer 2006. **YOUNG MITCH (7)** and his mother, **CARLEEN (a scar across her face)**, run through a field, spraying water guns at each other.

YOUNG MITCH
No fair! Mom!

SCREAMS and GROWLS come from the distance. Carleen shoots her head in their direction.

- Young Mitch and Carleen run through the forest.

CARLEEN
(making it fun)
It's a monster, baby! A great big monster with razor sharp fangs! We've gotta run!

YOUNG MITCH (V.O.)
Mom?

- Carleen is seen through a crack in the bathroom door, on the phone. Pacing.

CARLEEN
I don't have the summer. No, you listen to me. HE NEEDS HIS FATHER. He needs you. And not this version. ...If this is the same as before- Listen!

She looks out of the room, but young Mitch hides.

YOUNG MITCH (V.O.)
Mommy? I don't like Bill.

- Carleen, tucking young Mitch into bed, looks at him.

CARLEEN
You don't like my boyfriend?

Young Mitch shakes his head.

YOUNG MITCH
He's mean to you. He smells bad.

CARLEEN
Well that's just because of his work, Mitchie.

YOUNG MITCH
What work does my real dad do?

CARLEEN
Your dad is a concept artist.

YOUNG MITCH
What's that?

Carleen grabs a small box and pulls out the illustration current Mitch keeps by his bedside. She lays beside little Mitch and shows it to him.

CARLEEN
Someone who sees beauty before anyone else.

- Now asleep next to Carleen, young Mitch wakes up to the sound of scratches on his window. He shoves his mom. She wakes up in a rush, searching for a weapon.

YOUNG MITCH
(crying)
Mommy, what's happening?

CARLEEN
Oh, it's just the monster! Trying to spook us, that crazy thing. I need you to defend the fort all right? You think you can do that?

He nods.

CARLEEN (CONT'D)
(CONT'D)
OK. But you've gotta be totally invisible.
(MORE)

CARLEEN (CONT'D)
 Can you be invisible, Mitchie? OK,
 come quick. Into the invisibility
 chamber!

She puts Mitch into a closet. Holding back tears, she touches his face and kisses his head before closing the door.

63

INT. HOSPITAL, ROOM - NIGHT

63

Mitch leans over Dylan, crying. She wakes up, eyes far off and voice hoarse.

DYLAN
 Mitch? I knew he was coming. The
 shadow man. I could feel it. And I
 tried to stay awake, but-

MITCH
 Hey. It's OK.

DYLAN
 I didn't want you to be blamed like
 my-

MITCH
 I know. I wasn't.

Dylan calms.

DYLAN
 He'll stay away for a little while
 now... Don't tell them you believe.

Mitch smiles, weak.

DYLAN (CONT'D)
 (CONT'D)
 I had the strangest dream that my
 dad was still alive. Did they
 mention anything about him?

MITCH
 ...no.

Dylan nestles her head into Mitch's hand.

64

EXT. KLAYPOOL RESIDENCE - NIGHT (CONTINUOUS)

64

Jill and Miguel pull into the driveway. Dylan and Mitch are in the backseat, Carrie's car behind them. Jill catches sight of Sawyer and Dakota sitting on the porch.

JILL
Oh. I'll get cookies.

65 **INT. KLAYPOOL RESIDENCE, LIVING ROOM - NIGHT (CONTINUOUS)** 65

Dylan, Mitch, Carrie, Sawyer, Dakota, and Miguel get cozy in the living room, relatively calm.

DAKOTA
I'm glad you're all right, Dylan.

DYLAN
Thanks for coming.

Dylan looks at Sawyer: *you and Dakota? Yeah. You and Mitch?*
Yeah. Dylan smiles, a little less somber.

DYLAN (CONT'D)
Miguel, I've been meaning to give
this to you.

Dylan produces Candice's letter to Sandra from her pocket.

DYLAN (O.S.) (CONT'D)
This is a letter from Cuppa to
Sandra Hugh dated last Summer.

Jill emerges with cookies. As she puts the cookies down, she clocks the book she was reading at the hospital and slows.

DYLAN (O.S.) (CONT'D)
I think she was running from the
same man who tried to shoot me.

Miguel looks at the letter like it's gold.

JILL
Sandra's alive?

They stare at Jill's intensity as she goes to the letter.

DYLAN
She's been hiding in Boston. Still
trying to prove Raymond's
innocence.

Tears fill Jill's eyes. Dakota leans into Sawyer, munching on a cookie. She whispers.

DAKOTA
What's happening right now?

Sawyer shrugs.

There's a knock on the door. Miguel opens it to find Lexie and **MIA BENNET**. Mia nudges Lexie. Lexie holds up the MASK.

LEXIE
I found this in my step dad's closet.

CARRIE
...Fuck.

66

INT. KLAYPOOL RESIDENCE, JILL'S ROOM - NIGHT

66

Jill and Miguel shut the blinds.

MIGUEL (O.S.)
He'll know it's gone. We all have to hide.

The mask lies on Jill's bedroom carpet. As Mitch, Jill, and Miguel look at it, Dylan passes out black clothing.

MITCH
Black Willow Bulletin, 1989.

Mitch pulls out the newspaper print. It reads: "BLACK WILLOW BARON MICHAEL HUGH FOUND INNOCENT AFTER FATAL ATTACK." Miguel pulls up a photo of Chief Hodge on his phone, comparing them.

MIGUEL
I'll be damned.

JILL
The bone structure... plastic surgery?

Miguel paces, running a hand over his face. Dylan heads downstairs, but Mitch grabs her arm.

MITCH
Where are you going?

DYLAN
The silo. To see if she left a clue that'll lead us to the VHS tapes.

MIGUEL
Not alone.

Mitch follows her out, along with Sawyer and Dakota.

MIGUEL (O.S.) (CONT'D)
Lexie. In a court of law, the mask could have been planted.

Miguel, Jill, Mia, and Carrie surround Lexie.

MIGUEL (CONT'D)
What else can you tell me?

LEXIE
Uh. The house. He can't demolish it soon enough.

CARRIE
K so there's obviously something in the house. He tried to stop Dylan and Mitch too right? Maybe the guy believes in ghosts.

Miguel looks at a doubtful Jill, cocking his head. Maybe...

67

INT. KLAYPOOL RESIDENCE, SILO ATTIC - NIGHT

67

Dylan, Mitch, Sawyer, and Dakota rummage through the attic. Dakota sees the GOOD CREST on Cuppa's ghost gear chest.

DAKOTA
Dylan... this symbol.

Dylan joins her. Sawyer is looking at the ceiling mural.

DYLAN
I think it's a family crest.

DAKOTA
I've seen it. On my tarot deck. Carrie and I have the same one. It's super popular.

Dakota dumps her purse's contents. She fishes out the tarot deck, shows Dylan the Good Crest on the back's design. Mitch and Sawyer join them. Mitch grabs the card case, reading.

MITCH
Created by Candice Good. Just last Summer.

DYLAN
...Search.

All four dig through the cards, trying to find a clue. Sawyer pulls one of the cards and holds it against the mural.

SAWYER
It's the same image.

MITCH
What is that card?

DAKOTA
Traditionally, the death card. But
in this deck it's called A Grand
Hush.

Dylan thinks HARD.

68

INT. KLAYPOOL RESIDENCE, SILO SECOND FLOOR - NIGHT

68

Mitch stands in front of the black board he used to teach
Dylan. On it is written "A GRAND HUSH."

MITCH
There is something about this
phrase Dylan's grandmother wants us
to know. Clue: it's related to the
death card. Now go.

DAKOTA
It's a word jumble.

SAWYER
A what?

DAKOTA
You know, like one of those things
where you mix up all the letters
and get another word.

MITCH
Like an anagram?

DAKOTA
OK, wow. Listen. If you two know so
many words why don't you try and
unjumble that one?

Mitch and Sawyer react with arms upheld in defense: *woahh!*

Meanwhile, Dylan steps up to the board and writes "*SANDRA
HUGH.*" They all look at it.

SAWYER
Oh.

Mitch lights up, takes Dylan by the shoulders.

MITCH

The death card! The graveyard book!
What do you think's buried in
Sandra's spot if she was never
really dead?

Dylan smiles. Dakota JUMPS like a little girl.

DAKOTA

Dude I am pumped! Where's the book?

Mitch grins.

69

INT. KLAYPOOL RESIDENCE, LIVING ROOM - NIGHT

69

Miguel plops a copy of the graveyard book onto the bed. Mitch flips through it as Dylan, Miguel, Mia, Jill, Dakota, Sawyer, and Carrie hover.

MIA

We have to go to hell house before
sunrise.

DYLAN

Why?

MIGUEL

Testimony. Before it gets
demolished in the morning.

He steps aside, making a call.

DAKOTA

Who's testimony?

MIGUEL

(on the phone)

This is Detective Rodriguez. I need
a helicopter ride to Boston.

JILL

(still not convinced)

...Raymond Cole.

Dylan looks at Jill, stunned. Mitch stops at Sandra's coordinates.

MITCH

Found it.

DYLAN

Let's go.

70

EXT. BLACK WILLOW WOODS - NIGHT

70

In the forest, followed by Dylan, Dakota, Sawyer, Carrie, Mia, and Lexie, Mitch twirls his shovel like a kid playing with a toy lightsaber. Dylan holds the graveyard book.

DYLAN

This is the place.

Sawyer kneels down, dusting off the Good Crest.

SAWYER

Check it out.

Dylan shakes her head in disbelief.

MITCH

Mia, can you keep watch?

MIA

Excuse me?

MITCH

You're a boxer right?

MIA

Not by choice.

MITCH

Well in that case, remind me to thank your parents later. If he finds us, we're done.

Mitch lifts his shovel and thrusts it into ground.

71

EXT. SANDRA'S HOUSE - NIGHT

71

Jill approaches Sandra's front door, coat flapping.

SANDRA

JILL?!

They hug tightly.

JILL

Are you able to hop into a helicopter right now?

SANDRA

What? What for?

JILL
How do you feel about one last
goodbye with Raymond?

SANDRA
Are you serious?!

72

EXT. BLACK WILLOW WOODS - NIGHT

72

Lexie scrolls on her phone as Carrie doodles into the ground with a stick. Mitch digs.

CARRIE
I thought grave robbing would be
more fun.

LEXIE
At least you look good in black.

Carrie doesn't look at her.

CARRIE
Umm you're not allowed to talk to
me. You slept with my boyfriend,
'member?

MIA
What?! Lexie...

Something ruffles in the bushes.

DAKOTA
Wait. Guys, did you hear that?

SAWYER
It's probably just wind.

Mitch hits a box with his shovel.

MITCH
Got it.

LEXIE
I'm sorry, Carrie. But doesn't me
putting my whole family on the line
like kind of make up for it?

Mitch lifts the box out. Dylan opens it, her breath catching as she sees the VHS tapes inside. Mitch puts them in his bag.

CARRIE

Excuse me. Your step dad is a murderer. Am I supposed to be impressed that you told the police?

LEXIE

My mom and I could lose everything!

The sound in the bushes strengthens. They all look.

DAKOTA

That was not wind.

SAWYER

Run.

They run, heading uphill towards Hell House.

73 **EXT. HELL HOUSE - NIGHT**

73

The group of seven comes upon Hell House, their silhouettes stark.

74 **INT. HELL HOUSE, FOYER - NIGHT**

74

Lexie uses her own key to unlock Hell House.

LEXIE

I can't believe I'm helping you guys after you ratted me out.

DYLAN

As opposed to what, Lexie?

Lexie's eyes widen. She shrugs.

DYLAN (CONT'D)

I'm sorry for ratting you out. But you can do better than Parker Hall.

Dylan looks at Mia and Sawyer, then back to Lexie.

DYLAN (CONT'D)

(CONT'D)

You three keep watch, OK? And thank you.

75 **INT. HELL HOUSE, STAIRCASE - NIGHT**

75

Mitch, Carrie, and Dakota follow Dylan upstairs.

DAKOTA
Just like old times, right Dylan?

DYLAN
If only I weren't sober...

76

INT. HELL HOUSE, SANDRA'S ROOM - NIGHT

76

Dakota and Carrie arrange candles for the séance in Sandra's old room.

DYLAN
You guys do seem to really know
what you're doing.

DAKOTA
Doing sketchy shit together since
12-years-old, Baby.

Dakota and Carrie fist bump. The door creaks open. It's Mitch.

MITCH
She's... here.

He opens it wider, revealing Sandra.

77

INT. HELL HOUSE, SANDRA'S ROOM - NIGHT (MOMENTS LATER)

77

Jill comforts Sandra while they sit on the bed. Mitch pulls out all of the ghost hunting equipment as Miguel watches.

MIGUEL
What's this?

MITCH
An SB7 Spirit Box. Ghosts speak
through them.

MIGUEL
I can't believe I'm saying this,
but if Raymond materializes, you
know, we might have enough to prove
ghosts exist. Then I could take
another look at Nathan's case.

MITCH
Dylan's dad?

MIGUEL

Thanks for not telling her he's
alive, by the way. We really
appreciate that.

Miguel walks away, revealing Dylan. Mitch locks eyes with
her. She heard.

78 **INT. HELL HOUSE, SANDRA'S ROOM - NIGHT (MOMENTS LATER)** 78

Dakota leads the seance. Jill holds Sandra's hand. Miguel
stands on the outskirts, keeping an eye on equipment.

DAKOTA

Raymond Cole, we summon you from
the other side. Cross into our
world; join us tonight.

79 **INT. HELL HOUSE, UPSTAIRS HALLWAY - NIGHT** 79

Dylan storms out into the hallway, followed by Mitch.

DYLAN

How could you not tell me my dad is
alive?

MITCH

It's not my place.

DYLAN

Bullshit!

80 **INT. HELL HOUSE, SANDRA'S ROOM - NIGHT (MOMENTS LATER)** 80

Jill looks at Miguel. He looks up, shaking his head. Nothing.

DAKOTA

Raymond, we open this space to you.
Cross over and reveal yourself.

The skeptics look around. Jill almost laughs.

81 **INT. HELL HOUSE, UPSTAIRS HALLWAY - NIGHT** 81

In the hallway, Mitch stammers.

MITCH

I've been worried about you! Dylan!
Why do your wounds still bleed
after ten years?

(MORE)

MITCH (CONT'D)

What do you mean you flew on a broomstick the other day? Don't you think that's a little crazier than you're giving it credit for?

DYLAN

You do think I'm crazy.

MITCH

I said it's crazy. I didn't say you're crazy.

DYLAN

What you meant is all that matters!

82

INT. HELL HOUSE, SANDRA'S ROOM - NIGHT (MOMENTS LATER)

82

Miguel catches activity on one of the machines.

MIGUEL

I got a temperature drop.

SANDRA

Really?

A thumping sounds from inside the walls. Everyone flinches.

DAKOTA

Sandra is here to say hi.

The MEL-METER SCREECHES. Everyone cowers.

83

INT. HELL HOUSE, UPSTAIRS HALLWAY - NIGHT

83

Dylan swells up, in a rage.

DYLAN

What about what we saw in the mirror? When you got so excited that you kissed me? You've seen them.

MITCH

I saw smoke and broke the mirror so fast I couldn't even analyze it because, Dylan, that's the closest I've ever come to actually seeing anything!

84

INT. HELL HOUSE SANDRA'S ROOM - NIGHT (MOMENTS LATER)

84

The group sits in their seance.

SANDRA

Raymond... I've missed you so much.
Do you remember me?

They wait. Static... No voices.

SANDRA (CONT'D)

Why isn't he talking?

DAKOTA

Stay calm. Give him time.

RAYMOND (O.S.)

Sandra Hugh.

SANDRA

Oh, my God!

RAYMOND (O.S.)

I love.

CARRIE

Holy shit.

SANDRA

Raymond!

JILL

I don't think she can handle this,
Miguel.

MIGUEL

Wait. I got something.

On Miguel's screen, a GLOWING BALL shoots into Sandra.

MIGUEL (CONT'D)

(CONT'D)

It went inside of her!

DAKOTA

What?!

Sandra CONVULSES.

SANDRA

Raymond! I love you! I'm so sorry!

All the equipment spikes—EMF meters, MEL-Meter, and SB7
blaring with shrill, overlapping sounds.

JILL
Sandra, are you okay? Dakota,
what's wrong with her?

DAKOTA
I don't know!

85

INT. HELL HOUSE, UPSTAIRS HALLWAY - NIGHT

85

Mitch continues as though he's finally speaking freely.

MITCH
I work at a graveyard! I live on a
graveyard! Since seven years old,
I've done everything in my power to
connect with ghosts *including*
believing relentlessly and allowing
them in. DON'T YOU THINK I WOULD
HAVE SEEN MY MOM BY NOW?!

DYLAN
...Mitch.

He shakes his head, crying.

MITCH
She's gone. Your dad was lying...
They're not real.

MIGUEL (O.S.)
The orb, it's going!

JILL (O.S.)
What? Where?

SCREAMS come from Sandra's room. Dylan and Mitch rush to it.

86

INT. HELL HOUSE, SANDRA'S ROOM - NIGHT (MOMENTS LATER)

86

Mitch and Dylan burst into Sandra's room to find Sandra
convulsing, the group panicking, and Raymond's ghost fully
visible on the mirror.

Mitch freezes- then, a familiar smile stretches across his
face. He yanks the monitor from Miguel.

MITCH
I'll take it from here. Thanks.

Jill, holding Sandra's hand, looks to Dylan.

JILL
She's freezing.

Dylan grabs Sandra's other hand.

DYLAN
Just relax. He's here for you.

SANDRA
I'm scared.

DYLAN
I know.

SANDRA
I'm scared, Dylan.

DYLAN
I know. Trust me. But you've gotta
let the fear go, OK? Give up
control and it'll be all right.

Mitch watches Dylan as she coaches Sandra through deep
breaths.

SANDRA
Raymond! I love you always. I know
you're innocent. I'll prove it, I
promise.

MITCH
I'm getting something!

RAYMOND
Innocent. Love Sandra. Dad. Spit.

CARRIE
What did he say? Did he say spit?

Small items POP. Raymond holds a small vile of clear liquid.
He puts his arm through the mirror.

MIGUEL
DAD. SPIT. IT'S SPIT! MICHAEL

HUGH'S DNA TO MATCH! WE'VE GOT IT.

Sandra takes the vile. Raymond continues escaping the mirror.

DAKOTA
He's about the materialize!

His hand is almost on Sandra's face when-

GUNSHOTS fire from downstairs. Raymond disappears. Sandra goes to call for him, but Jill covers her mouth.

MIGUEL
...Michael Hugh.

HODGE (O.S.)
Oh, Velma! Don't you care to keep
your little Scooby gang? If so, I
reckon you come down about just
this instant.

DAKOTA
Sawyer's down there.

Miguel reaches for the gun on his belt.

MIGUEL
Do not go down.

HODGE (O.S.)
I SAID INSTANT.

Miguel starts to leave.

JILL
I'm coming with you.

He shakes his head and kisses her, leaving the room.

They wait in baited breath, huddled next to one another.
Sandra comforts Dakota while she cries.

More GUNSHOTS. They all duck. Jill is in agony.

JILL (CONT'D)
Fuck.

Dylan watches her mom.

INSERT FLASHES:

- Dylan flying on a broomstick.
- Dylan arguing with her mom, wind rising.
- Dylan in the witch's costume.

Dylan bolts out of the door. Jill and Mitch look at each other, panicked.

87

INT. HELL HOUSE, UPSTAIRS HALLWAY - NIGHT

87

Dylan is on her way downstairs, determined, when Mitch grabs her hand. He looks at her: *what are you doing?!*

Dylan presses her head to his.

DYLAN

Don't laugh.

88

INT. HELL HOUSE, FOYER - NIGHT

88

Hodge has Sawyer in a choke hold. As Dylan comes down the stairs, she sees Miguel tied up and gagged with a shot wound on his leg. Lexie sits on the couch, terrified, and Mia is nowhere to be seen.

DYLAN

Is this any way to treat your friends, Chief Hodge? Or should I call you Michael Hugh?

Hodge smirks, tightening his grip around Sawyer.

HODGE

Well well if it ain't little Velma. As a matter of fact, it's a damn shame to be losing 'em on account of you, ya know. But, eh, a man can get so attached to the tabs he keeps.

Hodge points his gun, aiming it at Dylan.

HODGE (CONT'D)

Reckon it's about time I finish what I started.

MITCH (O.S.)

Dylan!

Hodge, about to pull the trigger, turns to the sound of Mitch's voice. Mitch WHACKS him with his shovel. Hodge stumbles, releasing Sawyer.

MITCH (CONT'D)

I'm sorry I lied to you.

DYLAN

What?!

Mia emerges, FIGHTING Hodge. Mitch steps closer to Dylan.

MITCH
Your mom can be very convincing.

DYLAN
Well, she's never gotten to *me*.

Hodge's gun falls and FIRES, shooting Sawyer in the shoulder.

DYLAN (CONT'D)
SAWYER!!!

Dylan slides past Mitch to Sawyer as the gun slides into a fireplace. Sawyer is seething in pain. Dylan raises her hand from below his shoulder. It's covered in blood.

SAWYER
OW.

DYLAN
Lexie, give me your sweater!

Mitch inches towards the gun as Lexie moves to help. But Hodge gains on Mia, holding her in a lock.

HODGE
LEXIE WILSON, YOU HELP THAT BOY AND
YOU AND YOUR MOM ARE BACK ON THE
DAMN STREETS, YOU UNDERSTAND ME?

DYLAN
LEXIE, YOUR SWEATER!

Lexie looks at Hodge and sticks up her middle finger. She dives to help Sawyer as Mia elbows Hodge in the gut. The fight resumes.

MITCH
Dylan, exactly! You think for
yourself.

DYLAN
Mitch, the gun!

Mitch goes for the gun, still yelling across the room.

MITCH
Why do you think it killed me so
much to watch you suffer?!

Mitch grabs the gun.

MITCH (CONT'D)
(soft)
Your mind is unique as snow.

Mia sends Hodge smashing into a MIRROR. It falls, SHATTERING over Mitch. Dylan freezes before approaching. She pushes the mirror off Mitch. He's unconscious and maimed. He looks... Behind her back, Hodge grabs the unattended gun and points it toward Lexie, who shields herself.

HODGE
YOU UNGRATEFUL-

A breeze ruffles the curtains. Hodge stops cold, looking psychotic.

HODGE (CONT'D)
You feel that? It's him! That
freezing son of a bitch at it
again!

Hodge jumps, spins, shoots at the fireplace. Everyone ducts, screams. The lightbulbs flicker. Hodge fires at all them.

HODGE (CONT'D)
Go ahead, you cold-blooded bastard!
Want to ruin my life all over
again? Well, come an' get it!!!

Hodge is suddenly paralyzed, rising slowly in mid-air.

MIA
Is it the ghost?!

LEXIE
...No. It's not.

Mia follows Lexie's eye line. Dylan is rising from her spot beside Mitch, eye's dark and dangerous. Dylan SCREAMS and Hodge flings into the air, back arched, jerking wildly.

MIA
(muffled)
She's going to kill him!

LEXIE
(muffled)
Dylan!

And Mitch LAUGHS.

Dylan blinks, eyes returning, and Hodge smacks to the floor. Dylan drops to her knees beside Mitch, who's totally awake.

MITCH
(half delirious)
Think I can take a ride on your
broomstick some time, Babygirl?

Dylan embraces Mitch as though she thought she'd lost him.

DYLAN
Absolutely not.

Somewhere behind them, now untied, Miguel is pointing the gun at an out-cold Ronald Hodge.

MIGUEL (O.S.)
Ronald Hodge, you're under arrest
for the murder of Raymond Cole and
for the attempted murder of Candice
Good, Dylan Klaypool, and Lexie
Wilson.

The sirens start.

DYLAN (V.O.)
I once said no companionship was
worth a compromise of character.

89 **EXT. BLACK WILLOW TOWN CENTER - DAY**

89

Morgan waves to a crowd. Cameras flash.

DYLAN (V.O.)
And I burnt history... repeatedly.
Just to sanctify my spirit.

90 **EXT. BLACK WILLOW SUBURBS/WILSON RESIDENCE - DAY**

90

A Autumnal, suburban front door. A newspaper is tossed to it.

DYLAN
If I've learned anything this
Autumn, it's how impure the pursuit
for purity can become.

The newspaper shows Morgan's photo, titled: "Guilt-ridden
Mayor Hall apologizes, reveals truth about abandoned Hugh
estate."

91 **INT. BENNET RESIDENCE, FRONT DOOR (CONTINUOUS)**

91

DYLAN
Sometimes that looks like a witch
hunt, bigotry.

Newspaper in hand, Mia walks through the kitchen where Lexie and **CHARLOTTE** are cooking a Thanksgiving feast.

DYLAN (V.O.)
Other times it's a refusal of your
self.

Mia and Lexie look at one another with something on the verge of romance. Lexie turns away, worried and faking a smile.

92 **EXT. GARDNER RESIDENCE - DAY**

92

Dakota is in a red scarf. Snow decorates the floor.

DYLAN (V.O.)
I still have a thousand unanswered
questions about my life before I
can even begin to uncover the sky.

Sawyer, with a shoulder cast, one-handedly helps Dakota and **HARLOW GARDNER** pack their things into the hippy van. Sawyer hugs Dakota, then kisses her. She gets into the car, waving goodbye.

93 **INT. PSYCH WARD FOR THE CRIMINALLY INSANE - DAY**

93

Nathan's cell doors open. He looks up, on the mend.

DYLAN (V.O.)
Is my dad totally innocent?

Miguel smiles at him.

94 **EXT. VERLICE RESIDENCE, GRAVEYARD - NIGHT**

94

It's snowing. Carrie leaves flowers on her brother's grave.

DYLAN (V.O.)
Am I evil? Is there something to my
dreams?

Mitch sees her, waves hello. It's warm, but distant. Healed.

95 **EXT. VERLICE RESIDENCE, GRAVEYARD - NIGHT (MOMENTS LATER)**

95

Mitch digs through the snow.

DYLAN (V.O.)
You see, I used to know the answer
to all of these, but I digress.

He looks up to Dylan's window. She's bathed in a golden glow, writing.

DYLAN (V.O.)
Ghosts are ever constant creatures,
like carousels of memory.

JILL (O.S.)
(distant call)
Dylan! We're opening gifts!

Dylan catches Mitch staring.

DYLAN (V.O.)
One must move forward if they mean
to stay alive.

With a uncharacteristic smile, she turns off her nightlight.

96 CREDITS. 96

97 **INT. BLACK CAT COFFEE SHOP - NIGHT** 97

Veda has her back to the counter, making coffee.

CHAYTON (O.S.)
How's my favorite cousin?

CHAYTON WARCLOUD is on the opposite end of the counter.

VEDA
Last I checked, you're dead to me.

CHAYTON
This is serious. I took it last
night.

Chayton looks around, he lifts the photo of a MONSTER.

CHAYTON (CONT'D)
Remember the Summer of beasts?

For the first time, Veda is afraid.

END OF EPISODE
