

Episode 104

"Revenge of the Invisible Boyfriend!"

Written by

Taylor Castro

Based on

"The Haunting of Dylan Klaypool: Whispers in Black Willow"

by James A. Ross

INT. BLACK WILLOW ACADEMY - DAY (FLASHBACK)

An electric power chord. Empty halls of Black Willow Academy shown through a cheap camera lens. The title, "SUMMERWEEN BY STUPID BALL PIT CULT" shows in tacky horror font.

Two brightly colored, massive monster MASCOTS come into view, dancing through the corridors to heinous rock music.

They're pushed aside by a singing MITCH VERLICE (16, brunette at the time), wearing BLACK CAP AND GOWN and playing ELECTRIC GUITAR. The monsters get back on their feet and dance behind him down the hall, in a triangular formation.

The school bell RINGS. Mitch, the monsters, and the music all halt. They look at it. A breath. Then they chuck papers into the sky.

EXT. BLACK WILLOW ACADEMY - DAY (FLASHBACK) (CONTINUOUS)

Mitch and the monsters escape through double doors, coming into glaring summer sun. They shield their eyes, vampiric. The monsters TEAR OFF Mitch's cap and gown, revealing a neon blue skeleton BODYSUIT.

Mitch slides down a staircase handle in chaos, still singing.

CARRIE (O.S.)
What are you doing?

The hand-held camera turns to reveal CARRIE LANDRY (16) and LEXIE WILSON (15 at the time), standing at the opposite end of the school's otherwise barren courtyard. The hand-held camera returns to Mitch, revealing his mortified demeanor.

MITCH
(calling out)
What'd you say?

CARRIE
(calling out)

CARRIE (CONT'D)
I asked what you're doing.

Lexie eyes the camera.

MITCH
Oh. Um.

Mitch gives the cameraman a look: cut the cameras, deadass. But the cameraman lingers, zooming into Mitch, before turning the camera towards himself: CHAYTON WARCLOUD (16 at the time, Native American). The shot is all nose.

CHAYTON
This is Chayton Warcloud. That's a cut.

The music stops. Chayton turns off his camera, and the monsters take off their masks to reveal VEDA WARCLOUD (16 at the time) and a confused other KID.

MITCH
We're filming a music video.

CARRIE
What for? PBS Kids? How'd you even get permission?

Veda, fuming, locks eyes with Mitch.

CHAYTON
Ms. Marrero.

Chayton nudges Mitch on the shoulder, snickering like it's some inside joke. Carrie makes a face, somewhat challenged.

Mitch tries to laugh as she draws closer, hitting her vape. She eyes his nervous attraction towards her, grinning.

CARRIE
What's your name?

MITCH

Mit-

CARRIE

I know who the hell you are, Mitch.
We've gone to school together since
the sixth grade. I'm asking what
your band's name is.

CHAYTON

Stupid Ball Pit Cult.

Carrie and Lexie exchange a look, stifling laughter.

CARRIE

You any good?

VEDA

Yeah. You wouldn't be into it.

MITCH

Why do you- why do you ask?

Carrie shrugs.

CARRIE

School's out. I'm throwing a party
at my parent's beach house. It's
got like a y2k feel. I feel like
you guys would be good for that.

Veda looks like she could throw up on Carrie.

VEDA

We'll pass-

Chayton flicks Veda.

CHAYTON

Dude!

MITCH

Guys!

He gestures for them to chill, turns back to Carrie.

MITCH

You really want us to play at your party?

Carrie exhales smoke, stepping closer.

CARRIE

(to Mitch)

Yeah. I want you to play for me.

CUT TO:

INT. HELL HOUSE, MASTER BEDROOM - NIGHT (PRESENT DAY)

Mitch stands lost while blood drips down the walls.

PARKER (O.S.)

FUCK! WHAT THE HELL! WHAT IS THIS?!
DUDE, WHAT IS THIS?! WHY ARE YOU
EVEN IN HERE, MAN?! THIS IS SICK!

PARKER HALL panics like a little girl, in bed with Lexie. Lexie, who's still screaming.

The door barges open. Behind it stands DR. FRANKLIN CROWE, followed by JILL RODRIGUEZ, MIGUEL RODRIGUEZ, CHARLOTTE, and Carrie. Before anyone sees Parker and Lexie, they hide under the covers.

Mitch locks eyes with a concerned Carrie as Dr. Crowe points to him and an on-guard DYLAN KLAYPOOL.

CROWE

Ah and there they are! May I present to you, people, our culprits.

MITCH

What?!

Spoken simultaneously with:

CARRIE

Uh. No.

JILL

(to Carrie)

Well you couldn't have possibly
imagined this was real.

Dr. Crowe scoops up blood from his finger. He licks it off.

CROWE

Red chocolate syrup!

Everyone LAUGHS. Mitch tries it himself and looks at Dylan.
It's true.

DYLAN

I don't see how that's possible.

Dr. Crowe points to a pipe along the ceiling.

CROWE

Remote controlled pipe. Very
creative. You two did it, no? Get
back at mommy.

DYLAN

No.

MITCH

We didn't. Dr. Rodriguez, I
wouldn't. I-

CROWE

Et, et, et. And yet you did.

CARRIE
Dr. Crowe...

Everyone looks at Carrie.

CARRIE
It's just... I don't think Mitch is
smart enough to pull something like
this off.

MITCH
It's true.

He looks at Carrie.

MITCH
I'm a total idiot.

Carrie smiles, small. None of this is lost on Dylan.

CROWE
And your pockets, hm? Let me see.

Mitch reaches into his pockets, expecting nothing, only to
pull out a REMOTE CONTROL. The crowd REACTS.

MITCH
I've never seen this before in my
life. You have to believe me!

DYLAN
Mitch?

CROWE
And the little Jill's pockets?

Dylan reaches into her pockets: an empty bottle of red dye.
What?! Miguel holds up the MEL-METER he found.

MIGUEL
They were ghost hunting.

CROWE

Ah yes. And ghosts... They feed on fear. Or so they say.

He laughs hysterically, the crowd following his lead.

JILL

And that everyone, is a flawless example of how we can let our amygdala get the best of us! I hope you enjoyed the little show. Yes! It is the season of gore and... whatnot. Now, let's get some snacks and resume, shall we?

Guests sigh, relieved. Carrie gives Mitch a meaningful look before leaving. Jill gives Dylan and Mitch a terrible, stern glare before closing the door.

MITCH

Damn it. Damn it. Damn it!

He kicks the bed. Parker and Lexie come out.

PARKER

PHEW! That's a relief.

Parker hops out of the bed. Mitch and Dylan shield their eyes in horror upon seeing his naked body, which is conveniently out of anyone else's line of vision.

MITCH

DUDE, COME ON! Dylan's right there.

Spoken simultaneously with:

DYLAN

Oh no. OH my gosh. Oh dear. No. That's not...

PARKER

What? She your girl?

He raises both eyebrows at Mitch three times.

MITCH
No... but A girl. And-

PARKER
Bro! Speaking of girls, was that
Carrie out there? Fuuucckk. Close
one, man, am I right?

Parker raises his hand for a high five. Mitch PUNCHES him in the face.

MITCH
Happy Halloween, Motherfucker.

We hear a crowd CHEER.

TITLE CARD: EPISODE 4, REVENGE OF THE INVISIBLE BOYFRIEND!

This title card is different, crazier. It's Mitch's.

EXT. LIGHTHOUSE BEACH - SUNSET (FLASHBACK)

In silhouette before a setting sun, Mitch performs his heart out to the sound of muffled teenage cheers. He punches Veda's drums until he bleeds. It's so loud that it's almost mute.

MITCH (V.O.)
Mitch Verlice. Audio log 19. Today
I felt like talking about the time
I got possessed.

EXT. LIGHTHOUSE BEACH - NIGHT (FLASHBACK)

JOINT between his bloody knuckles, Mitch takes a hit. He sits with Veda and Chayton. Far off behind is golden BONFIRE light and glorious LAUGHTER.

MITCH (V.O.)

Like all great stories, it started last Summer. In a small town on the cusp of Salem, Massachusetts. A town... called Black Willow.

Chayton CHUCKLES to himself.

VEDA

Don't.

CHAYTON

I'm just saying if I had to have a last show with you guys, I'm glad it-

They argue over one another, yelling simultaneously.

VEDA

I can't hear you! I can't hear you! Lalalala.

CHAYTON

Do you even hear yourself right now? What are you? Five? You're literally such a freak!

Mitch taps the excess from his joint, staring off.

CHAYTON (O.S.)

I'm just trying to say that if I go to the reservation in the fall- No! Don't do that. Will you shut up? Yes because I really might go. I've been telling you this.

Spoken simultaneously with:

VEDA (O.S.)

I'm uncomfortable with your words! I feel deeply offended by your words! What do you even want? Am I supposed to lie and say I'll miss you? Boo hoo. Oh! I'm so sad!

A burnt marshmallow on the end of a long stick finds itself in front of Mitch's face.

CARRIE (O.S.)

Eat it.

He smirks.

MITCH

I'm not doing that.

Carrie sits, replacing his view. She eats the marshmallow herself, locking in on his eyes. Sucking her fingers dry.

MITCH (V.O.)

I'd thought of Carrie like a queen
ever since I saw her, you know. The
kind that cuts off heads.

Mitch finally turns away once he's too turned on.

CARRIE

I want a hit.

She takes the joint from Mitch's mouth and holds out her hand for a LIGHTER. He complies. The lighter says, "wink when you pass this back if you want to bang."

MITCH

Oh that's not-

Carrie LAUGHS, takes a hit. She tosses him the lighter and WINKS.

Carrie then proceeds to take off her shirt, revealing a bikini underneath. She shakes out her hair and runs into the ocean with the rest of his joint. He's frozen.

Chayton, sly, pats Mitch on the shoulder.

CHAYTON
You want it, huh?

MITCH
What?

EXT. MARY'S BATH - NIGHT (PRESENT DAY)

DYLAN
Do you want it?

Dylan stands beside Mitch, holding out bandage wrap. Mitch is by Mary's Bath, washing his knuckles. Jill is at a distance, watching. He holds out his hand, allowing Dylan to wrap it.

MITCH
What's the verdict? Can we be friends or what?

Dylan shakes her head, almost looking at her mom. Mitch grounds into reality at the sight of her about to cry.

DYLAN
But I'm gonna do it anyway.

He smiles.

EXT. BLACK WILLOW COURTHOUSE, BENCH - DAY

A sign outside says "Black Willow Courthouse est. 1693." Mitch sits on a bench outside, reading. He sees Jill's CAR pull up. Dylan emerges, handing a HOMELESS MAN some money. Mitch grins.

JILL
You couldn't bother to go in, I see.

Jill discovers a sign on the door: "COURTHOUSE BACK IN SESSION AT 12PM." She could stomp a foot.

Jill sits beside Dylan, shielding her, but Dylan and Mitch exchange secret glances. Dylan opens her own copy of the same book Mitch is reading, trying to swallow a grin. He won't stop watching. She finally breaks away.

MITCH (V.O.)
Carrie's life loiters in me like a
freaking rat in the wall.

Mitch's smile fades. Unseen by Mitch, Dylan looks back, catching his mood shift.

EXT. VERLICE RESIDENCE, GRAVEYARD - DUSK (FLASHBACK)

Mitch, brunette, walks through tombstones.

MITCH (V.O.)
It was early Summer still. Maybe
June, let's say, and I had just
finished the graveyard shift...

Carrie's CRYING stops Mitch in his tracks. She sees him, sucks everything in. He stands still, comfort-eyed.

MITCH (V.O.)
I knew about it, of course. But to
tell you the truth, I couldn't even
picture Carrie having an emotion.

CARRIE
...When you dig these, do you know
who's going in them?

Mitch looks around.

MITCH
...Dorian Waters. A long life, just
under a hundred. He was a black
smith in World War 2, then started
a shoe company for kids. Evelyn
Josephine was her school's first
female anthropologist. She studied
the concubines in Istanbul.
William, Helen, Henry. All born

here and never left.

He looks at the grave Carrie came for.

MITCH
And Lucas Landry. Eldest of three.
2015 homecoming king accepted to
Stanford on a softball scholarship.

CARRIE
...And committed suicide half way
through his first semester. Do you
usually leave out how it ends?

MITCH
Someone has to.

CARRIE
I can't understand how you don't
become psychotic.

MITCH
Don't you believe in an afterlife?

CARRIE
Sounds entitled to me.

MITCH
More entitled than living without
faith?

A beat. The sound of a judge's GAVEL...

INT. BLACK WILLOW COURTHOUSE, COURTROOM - DAY

...POUNDING. Mitch startles, causing a tear to roll. He is
sitting in the courtroom.

PRIEST (V.O.)
Welcome to community service at The
Sacred Heart Church!

EXT. SACRED HEART CHURCH - DAY

A huge BANNER saying "THE SACRED HEART CHURCH FALL FESTIVAL," waves in the wind. Mitch and Dylan follow the PRIEST under it. They walk through the festival grounds, each carrying a TOTE BAG.

PRIEST
A brick through the window, huh?

DYLAN
Yes, Sir.

The priest giggles.

PRIEST
Worse things have been forgiven.

Dylan smiles. The priest comes to a halt at a ticket tent.

PRIEST
I think you'll find few punishments more enjoyable than working at the Fall Festival.

He looks at Mitch, who looks about ready to burst with excitement.

PRIEST
Here is where you'll sell tickets. One tent each. Oh and, uh, I put the costumes in your employee bags.

Mitch and Dylan eye their bags. The Priest gives a thumbs up.

EXT. SACRED HEART CHURCH, TICKET TENT AREA - NIGHT

Mitch sits in a ticket tent, wearing a clown costume. He looks across the entrance lane to Dylan, who's wearing the feminine version of the same costume in her own ticket tent.

She's hyper-focused on figuring out the register. A YOUNG CUSTOMER arrives. She welcomes her with gentleness. Mitch softens.

LEXIE (O.S.)
EXCUSE ME. HELLO. I'd like to give
you money, please.

He looks towards the noise: Lexie.

Her eyes shoot open when she notices it's Mitch. She BOLTS. Mitch CHASES after her, abandoning the tent.

EXT. SACRED HEART CHURCH, FESTIVAL PATH - DAY (CONTINUOUS)

Lexie RUNS through the festival, followed by Mitch.

LEXIE
You know chasing a girl in a clown
costume isn't exactly a good look,
right?

EXT. SACRED HEART CHURCH, WATER GUN TENT - DAY (CONTINUOUS)

Lexie runs into an Autumn themed water gun tent busy with CHILDREN.

LEXIE
Help! Someone help! He's chasing
me!

MITCH
She lies! She's a witch, I tell
you! We must GET HER!!!!

CHILDREN
GET THE WITCH! GET THE WITCH! GET
THE WITCH! GET THE WITCH!

The children spray Lexie, then chase her.

EXT. SACRED HEART CHURCH, PUMPKIN PATCH - DAY (CONTINUOUS)

Lexie runs through a small pumpkin patch, knocking over bundles of hay to block the children.

Mitch leaps over the hay, on her tail, as she books it into a photography tent.

INT. SACRED HEART CHURCH, PHOTOGRAPHY TENT - DAY (CONTINUOUS)

Lexie runs into the tent, coming face-to-face with a towering card stock scarecrow, a hole cut out at the face for photos. It startles her, but she exhales at the false scare.

Upon opening her eyes in the opposite direction, however, she sees a MASKED MONSTER. Lexie SCREAMS, cowering.

She finally peaks to see Dylan pull off the mask. Mitch stands on the other side of Lexie. She's trapped.

LEXIE

Ugh!

INT. SACRED HEART CHURCH PHOTOGRAPHY TENT - DAY (MOMENTS LATER)

Lexie sits on hay, pouting. Dylan and Mitch cross her, pacing in an interrogative style.

MITCH

Lexie Wilson. Fancy seeing you here. On a date with Parker, I presume? Very sweet of him to buy your tickets, wouldn't you say?

LEXIE

He's saving, for your information.

MITCH

Oh! What for? His actual girlfriend?

DYLAN
Your best friend...

Lexie eyes Dylan like a hawk. Dylan shrugs: it's the truth!

LEXIE
Oh OK like you're so innocent
misses making eye contact with
Carrie's ex across the table right
in front of Carrie when Carrie was
literally nice enough to invite you
to lunch with us because you were
actually eating in a freaking
bathroom stall before that?

DYLAN
(with confusion)
...What?

LEXIE
Whatever! ...And YOU! What, you're
some kind of saint? You and Carrie
literally broke up BECAUSE you
cheated, and now you're gonna come
at me? As if this betrayal would
cause even a fraction of the
heartbreak yours did!

MITCH
(with care)
What? What do you mean by
heartbreak?

Lexie rolls her eyes.

DYLAN
OK. Can we focus?! Please. Thank
you. Lexie, we're not going to tell
Carrie about you and Parker...

Lexie looks at her with an inquiry of the catch.

DYLAN
IF... you give us access to Hell
House.

Lexie looks between Dylan and Mitch. That's it?

EXT. VERLICE RESIDENCE, GRAVEYARD - DAY

Veda is walking through the graveyard towards Mitch's house, drumsticks in hand, when she spots Carrie eating cherries near her brother's tombstone. They lock eyes.

VEDA
You're not actually glamorizing
your nonexistent grief as a means
to manipulate someone whose known
more of it than you could fathom
while simultaneously having zero
interest in him anyway?

Carrie gets up. She begins to walk away, but thinks again.

CARRIE
I hope, with all my apathetic heart
of which you so effortlessly
understand, that one day... you get
picked.

Carrie walks away. You can practically see the steam leaving Veda's nostrils.

INT. VERLICE RESIDENCE, GARAGE - DAY

While Mitch is setting up for band practice, Veda charges into the garage. She keeps to herself, setting up while all pissed off, until she looks up and STOPS in surprise.

SAWYER HALL turns around, looking totally different. Much cooler. Kinda hot.

SAWYER
What do you think?

MITCH
Good, huh?

VEDA

Better.

INT. VERLICE RESIDENCE, GARAGE - DAY (MOMENTS LATER)

Sawyer, in his updated rockstar look, SHREDS on electric guitar to an original HALLOWEEN SONG. They finish.

INT. VERLICE RESIDENCE, GARAGE - DAY (MOMENTS LATER)

Sawyer chugs water, then looks at Mitch. Mitch takes out his earphones. What's up?

SAWYER

How was that?

MITCH

Good, good dude! It rocked.

SAWYER

You think I'll be ready for Friday?

MITCH

More than ready, Man! You'll be fantastic!

SAWYER

It's just... a big crowd.

MITCH

Just the school.

Sawyer looks at him: uh...yeah!

MITCH

Sawyer. Sawyer, Sawyer, Sawyer.
Relax. It's just a high school
Halloween dance. And look at you,
Man, with this new look. You look
cool as hell. Everyone'll love it.

Sawyer nods.

MITCH
You going with Dakota?

SAWYER
No. Dakota and I are just friends.

Mitch gives him a look.

SAWYER
There are some benefits, but... Eh,
I don't know. She wants that, but I
don't. I want something stable.

MITCH
My guy. That's beautiful. What are
you into then? If you don't mind me
asking, of course.

Sawyer's about to say something, then shies away.

MITCH
What?!

SAWYER
I just don't know how you're gonna
feel about it.

MITCH
What! I'll be fine. Come on, Man.
Tell me.

SAWYER
All right. It's just... I know you
said you guys aren't a thing and...
I don't know. Would you be cool
with me, like, asking out Dylan?

Mitch's smile fades.

MITCH (V.O.)
You don't have feelings for me now,
do you?

QUICK FLASHCUTS:

- 3.24 Dylan and Mitch, back when they were on that bench.

DYLAN
What... no.

The moment replays, quick. Sometimes closing in on her eyes,
sometimes on the curve of her mouth.

DYLAN
What... no. What... no. What... no.

- 2.7 Dylan furrowing her brows at all his books.
- 3.14 How Dylan looked at him after thinking he was gone.

DYLAN (V.O.)
You're handsome.

- 3.51 Dylan's reaction to seeing him with Carrie replays.

MITCH (V.O.)
Look at you! You're obsessed!

DYLAN (V.O.)
That is not it at all actually.

- 1.48 Dylan running into Mitch's arms at Hell House.

MITCH (V.O.)
You'll have to resist me.

DYLAN
I think I can manage that.

EXT. HELL HOUSE - DAY

Mitch leans on the front gates of Hell House, pensive. He's smoking a joint.

MITCH (V.O.)
There's a psychic on the edge of
town. A gifted and eccentric lady.

EXT. WILLOW READER COTTAGE - DAY (FLASHBACK)

A TRIO OF ELDERLY, HIPPY MEN set up ODD INSTRUMENTS in front
of THE WILLOW READER MADAME ZUGASTI's cottage.

MITCH (V.O.)
But she once told me I'd end up
with an enemy. I've only got one.

Carrie, sinister, meets Mitch's eyes.

MITCH (V.O.)
The Devil.

CARRIE
Wait here.

She walks in, leaving Mitch alone with the men. They nod at
him, he returns the gesture. Mitch sits on a curb,
loitering.

The men play a fun tune and Mitch hums along, both parties
progressively getting louder. Mitch starts to dance,
building into a full on performance.

Carrie exits the psychic, elated. She puts a newly purchased
TAROT DECK in her purse, then sees Mitch leading the band.
She shakes her head in disbelief.

He calls her over. She doesn't bother with much hesitation.
The two dance.

HIPPY MAN #1
GIVE HER A KISS!

HIPPY MAN #2
YEAH, KISS HER ALREADY!

Mitch shakes his head, respectful. Carrie kisses him. Mitch kisses her back. The men CHEER.

A wind blows and Mitch's nose picks up the scent it carries.

EXT. HELL HOUSE - DAY

Mitch's senses bring him back to reality.

MITCH
Dylan.

He turns around, revealing Dylan. She's wearing silly disguise GLASSES.

DYLAN
Undercover. I've got exactly forty
five minutes before my mom returns.

Mitch dangles the house keys. They walk towards Hell House.

DYLAN
Do you happen to have a plan?

MITCH
You smell like bergamot and
caramel.

Dylan gives him a look, he smiles.

MITCH
Files. We're looking for files.
Bank stuff, report cards, birth
certificates... There's an office
on the second floor. It could help

us connect with the spirit when we
communicate. Or uncover the story.

Dylan nods, walking beside him in silence for a bit.

DYLAN
You smell like weed.

He LAUGHS.

INT. HELL HOUSE, OFFICE - DAY

Dylan and Mitch enter the office of Hell House, all loose
papers and dust. Like the working space of a madman.

DYLAN
How neat.

MITCH
I'll get the filing cabinet.

As Mitch heads for the filing cabinet, Dylan looks around.

DYLAN
Hey. Who do you suppose framed us?

Mitch looks at her, half laughing.

MITCH
It's obvious. The freaking guy who
showed off by busting us.

DYLAN
OK, and when slash how exactly
would a man his age apply piping
along the high ceiling?

MITCH
Some assistant no doubt. Dude
probably built his whole career by

MITCH (CONT'D)
debunking mysteries he made up. Now
LOOK FOR FILES. What are you? A
scarecrow?

Dylan moseys to the bookshelf.

MITCH
Not too sure if we have time for a
little light reading, Dillstick.

Dylan pulls out a book on the shelf and opens it, revealing
a hollowed out center with files inside.

MITCH
You embarrass me sometimes.

EXT. VERLICE RESIDENCE, ATRIUM - DAY

ABIEZER MARRERO is sitting on his rocking chair in the
atrium when Miguel approaches from outside the window.

MIGUEL
Abiezer? Mind if I ask you a couple
questions about Candice?

EXT. VERLICE RESIDENCE, ATRIUM - DAY (MOMENTS LATER)

Abiezer and Miguel sit, sipping tea.

ABIEZER
Candice was what they call nosy,
you know? Not big on space.

MIGUEL
Don't I know it... In the weeks
leading up to her disappearance,
did you notice anything off about
her behavior?

ABIEZER
Yes. There was one night. About a

 week before it happened. Candice
 came here, very late. And she was
 very on edge. She asked to see the
 graveyard book.

MIGUEL
 The graveyard book?

Mitch walks up with a pile of folders in his arm, slowing at
 the sight of Miguel.

ABIEZER
 Mitchachico here can tell you all
 about it.

MITCH
 About what?

INT. VERLICE RESIDENCE, MITCH'S ROOM - DAY

Mitch covertly slips the Hell House files into a desk drawer
 and makes his way to the bookshelf. Standing apart from the
 cheesy horror novels is a large, leather-bound, ancient
 BOOK. He grabs it.

Back at his desk, Mitch opens THE GRAVEYARD BOOK and Miguel
 comes forward, hovering behind him to see.

MITCH
 It's where we keep track of names
 and personal information. There's
 also coordinates for location.

MIGUEL
 Candice asked to see this?

Mitch nods.

MIGUEL
 Do you know what she did with it?

MITCH
No Sir, I have no idea.

MIGUEL
Could I get a copy of this?

Mitch hands him the original copy.

MITCH
Bring it back whenever.

Miguel takes it, patting Mitch on the shoulder.

MIGUEL
You're still not allowed to see my
step-daughter. Let's keep your name
out of that book, yeah? I've got a
dangerous wife.

Miguel smirks, leaving.

INT. LANDRY RESIDENCE, CARRIE'S BEDROOM - DAY

Carrie is sitting in front of her mirror, getting ready with
rollers and all.

Lexie exits the bathroom in a robe and towel, wiping her
mouth. She eyes Carrie unseen, then sits beside her.

LEXIE
What are you gonna be for the
Halloween dance?

CARRIE
Carrie.

LEXIE
Iconic.

CARRIE
I know.

Carrie struggles with a hair roller.

CARRIE
Ugh! Literally what is wrong with
this thing?

Silence. Lexie eyes Carrie.

CARRIE
Oh my gosh. Lexie, what?

LEXIE
It's nothing.

CARRIE
Then do nothing.

LEXIE
It's just... I noticed you've been
pretty soft with Mitch recently.

CARRIE
...What about it?

LEXIE
Nothing. Literally nothing... Just
don't forget that he like actually
cheated on you with a teacher
though.

CARRIE
Is there some reason you're
bringing this up? Babe?

LEXIE
No. No reason... I just... I don't
want to see him drain you again.
It's like so important to hold onto
your power, you know?

CARRIE
I do hold onto my power.

LEXIE

Yeah! No. No. Right now? Like you definitely do. I just don't want to see that go away like it did before is all... I found out what his punishment is by the way. For breaking into my house.

CARRIE

What is it?

LEXIE

Community service at the Fall Festival. With Dylan... by the way I'm pretty sure they're official now or something. I, uh... I saw them making out in town yesterday.

Carrie quiets, flawlessly takes out the roller.

CARRIE

That's cute.

Lexie grins. She's got her.

LEXIE

Hey. You know what we should do tonight?

INT. SACRED HEART CHURCH, PORTA POTTY - NIGHT

Lexie, Carrie, DAKOTA GARDENER, and MIA BENNETT huddle in a PORTA POTTY by the festival's pumpkin patch.

CARRIE

Lexie, get your bony elbow out of my freaking boob.

LEXIE

As if it's my fault your boobs take up like half the stall.

CARRIE
This isn't really a time for
flattery. Kay?

DAKOTA
Guys, it smells so disgusting.
Please. I literally think I might
throw up.

Dakota's foot slips and falls into the toilet.

DAKOTA
(hushed tones)
AH. SHIT. OH FUCK. YOU GUYS. YOU
GUYS, MY FOOT FELL IN THE TOILET.

She whines like a youngest sibling.

MIA
Dakota, quiet.

DAKOTA
OK. Seriously, Mia? Carrie and
Lexie were literally just like
screaming.

MIA
No. SH! I think I heard the gates
close.

The girls hush. Complete silence. Mia peaks her head out,
followed by the rest of the girls.

MIA
We're clear.

BEGIN MONTAGE:

EXT. SACRED HEART CHURCH, PUMPKIN PATCH - NIGHT

- The girl's smash all of the pumpkins, throwing them and
kicking them.

- Dakota emerges from another section carrying a massive AX.

DAKOTA
Dudes... look what I just found.

- Carrie axes all the pumpkins. She hits the last one with a particular force, as if to say: and THAT'S for cheating.

END MONTAGE.

INT. SACRED HEART CHURCH - DAY

A gorgeous Christian church, full of stained glass windows and white light. Wooden panelling. Mitch is thoughtlessly walking through when he spots Dylan.

She's sitting alone, drenched in light. Eyes closed.

The priest rushes in, panicked. It isn't until he addresses both of them that Dylan turns to notice Mitch is there.

PRIEST
Have you guys seen it? It'll take a fortune to replace.

Dylan and Mitch give him a confused look.

EXT. SACRED HEART CHURCH - DAY

A field of smashed pumpkins spreads out before Mitch and Dylan. Only one remains. It has a massive KISS MARK on it.

DYLAN
Will you? Replace it?

PRIEST
Of course. It's such a source of joy for the children. I just can't understand how someone could do something like this.

The priest leaves. Dylan looks for Mitch's eyes, but he can't stop averting them.

CARRIE (O.S.)
I JUST GOT THE BEST IDEA.

INT. BEAUTY STORE - DAY (FLASHBACK) (CONTINUOUS)

Carrie slides onto the floor of a colored hair dye section, Mitch trying to keep up behind her. They're high.

MITCH
How about blue?

CARRIE
How about no way in hell? Here. I like this one.

She kisses her hand.

CARRIE
Because that's the color.

MITCH
You want my hair to be pink?

CARRIE
I want your hair to be the color of my lips. Is that a problem?

MITCH
No, Ma'am.

He kisses her. She holds up a box of hair dye and slips it into her coat, putting a finger over her lips to shush him.

INT. LANDRY RESIDENCE, CARRIE'S BATHROOM - NIGHT (FLASHBACK)

Pink hair dye goops over Mitch's freshly bleached hair. He's wrapped in a pink towel. Carrie sighs, mounts Mitch from the front and continues to massage into his scalp.

CARRIE
Oh, it's gonna look good.

MITCH
Yeah?

CARRIE
Yeah.

Mitch receives a call from VEDA and declines it.

CARRIE
Who's that?

MITCH
Veda. She's been insane since
Chayton left.

CARRIE
She's been insane forever.

Mitch holds his tongue while Carrie thoughtlessly spikes his hair. Quiet... They kiss with passion, but Mitch hesitates.

CARRIE
What? ...Are you a virgin?

Mitch gives her a guilty look.

CARRIE
Do you want to be?

INT. BLACK WILLOW ACADEMY, LIBRARY, DESK - DAY

Dylan and Mitch sit on a library table with a computer next to them. Two folders are open. They read their own silently, highlighter in hand. Mitch shakes a thought from his head.

DYLAN
I found something.

She starts typing in the computer.

DYLAN
Bank statements for Michael Hugh.

MITCH
Who's Michael Hugh?

Dylan types his name into a search engine. She sparks up at a series of articles from THE BLACK WILLOW BULLETIN.

DYLAN
Mitch. Mitch. A ton of stuff just
just popped up.

MITCH
Let me see.

He takes control, ignoring Dylan's annoyed reaction.

MITCH
(reading)
Gunshots heard from within the
Michael Hugh Estate, neighbors on
alert.

He taps Dylan, excited.

MITCH
We got gunshot reportsss!

Dylan gives him a horrified look.

MITCH
(reading)
Black Willow Baron- Oo Baron.
Fancy.

Dylan snatches back the screen.

DYLAN
(reading)
Black Willow baron Michael Hugh
found innocent for murder after
intruder attacks in family estate.

MITCH
Innocent.

They exchange a look.

DYLAN
Dated a year later, "Heiress to the
property typhoon Hugh family goes
missing."

MITCH
Missing?!

DYLAN
And her dad was presumed dead ten
years later.

MITCH
Define presumed.

DYLAN
OK. So our ghost is either Sandra,
Michael, or the intruder he killed.

MITCH
And who was that?

INT. BLACK WILLOW ACADEMY, LIBRARY, PRINTER - DAY

Mitch, with a concerned expression, waits as a printer
churns out the image of a young but built black man, his
name plastered across the top: RAYMOND COLE.

He hears a LAUGH and looks up. It's Carrie, reading "Lolita"
to herself in the back of the room. He readies himself to
confront her only to be blocked by Parker and his black eye.

PARKER
You checking out my girlfriend,
Bro?

MITCH
Just thinking about how disturbing
her taste in literature is.

Mitch turns to walk away, but Parker calls after him.

PARKER
Yo!

MITCH
I'm sorry. Did you want me to punch
the other eye for a more balanced
look?

Parker steps back with caution.

PARKER
Woah, Bro. We're just talking. All
right? Respect.

Parker holds up his hand for a fist bump. Brows furrowed,
Mitch complies.

PARKER
You're in that band with my
brother, right?

MITCH
...Yes.

PARKER
Right. And, you know, uh, that's
cool. It's just... Sawyer can be
kind of, like, impersonable. You
know?

MITCH
Impressionable?

PARKER

Yeah, that's what I said. Anyways,
it can be tough, you know, being in
a position like ours?

Mitch looks at him with confusion.

PARKER

I mean, being the mayor's kids and
all.

Mitch had no idea they were they mayor's kids.

MITCH

Right. Right.

PARKER

Yeah. So shit like, I don't know,
painting his nails for example...
it just kind of gives the family a
bad rep. You know? I mean, look,
we're close. He's my brother. And I
know he's already got a hard enough
time as it is around here without
everyone thinking he's... you
know...

Mitch looks at him as if he doesn't know, messing with him.

PARKER

Like...gay.

Mitch pretends to be shocked. Parker nods, serious.

PARKER

Yeah, right? So maybe like...let's
not, yeah? I wouldn't want it to
cause a problem for my family and
then, you know, me and you. Since
we're so tight now. Am I right?

Mitch nods, pretending to consider.

MITCH

No, I totally see what you're saying, Man. I never thought of it that way. It's just kinda funny...

PARKER

What is?

Mitch looks at Carrie. Their eyes lock. He smirks, speaking to Parker without taking his eyes off her.

MITCH

Your girlfriend didn't seem to mind my painted nails when we were dating.

Mitch walks away.

INT. BLACK WILLOW ACADEMY, MS. MARRERO'S CLASS, TABLE - DAY

Dylan is reading articles when Mitch sits next to her with crazed, driven eyes. Exceptionally close.

MITCH

Be my revenge date to the Halloween dance.

Dylan looks around, soft and confused.

DYLAN

...What?

EXT. MITCH'S CAR, STREET - NIGHT

A black tarp. It's taken off, revealing a pick up truck trunk full of tissue paper rolls.

MITCH (O.S.)

I don't see why you can't just be my revenge date to the Halloween dance.

Dylan, tarp in her hands, looks back to Mitch with a massive smile. Mitch pouts, then starts helping unload the rolls.

DYLAN
I can't go to the Halloween dance.
I'm grounded.

MITCH
I don't see why you can't just
pretend to be my girlfriend.

DYLAN
You read too much fan fiction.

MITCH
You write too much fan fiction.
Dylanwrites123.

She GASPS, covering her mouth. Mitch smiles. He tosses a roll in his hands.

MITCH
Oh yeah. This is the good stuff.
When it rains tonight? This'll get
extra nasty when wet.

DYLAN
That sounds... inappropriate.

MITCH
(bitter)
How appropriate.

Dylan raises her eyebrows.

MITCH
What's the plan if we're seen?

Dylan smirks.

EXT. LANDRY RESIDENCE - NIGHT

In the center of the street stands two blanket ghosts with holes cut out for eyes: Mitch and Dylan. They have their toilet paper at the ready.

DYLAN
Five... four... three... t-

Mitch CHUCKS his toilet paper. Dylan follows suit.

EXT. PLAYGROUND - NIGHT

High on an energy, Mitch and Dylan topple their way to the neighborhood playground, some leftover toilet paper trailing behind. They're laughing wildly.

EXT. PLAYGROUND - NIGHT (MOMENTS LATER)

Mitch and Dylan lay on their backs in the fallen leaves. They look over at each other. Neither turns away for a while.

MITCH
I was in love with Carrie... It's only been two months since we broke up.

DYLAN
Why did you? Break up, I mean.

MITCH
It's not because of whatever the hell Lexie was saying. I can tell you that for sure.

INT. LANDRY RESIDENCE, CARRIE'S BEDROOM - NIGHT (FLASHBACK)

Mitch, pink haired, wears heart shaped glasses. He looks happier than ever, joking with Carrie and stealing kisses.

MITCH (V.O.)
When we first got together, I kept
half expecting her to reveal it was
all a prank. Eventually I realized
it wasn't though. That, whatever
the reason, she actually liked me.

Carrie receives a call from Mia.

MIA (O.S.)
Carrie?!

CARRIE
Hey!

MIA (O.S.)
What are you up to?

Carrie looks at Mitch. She gestures for him to give her a
moment.

CARRIE
Nothing. Just home.

Mitch deflates.

MITCH (V.O.)
She was embarrassed about it
though.

EXT. PLAYGROUND - NIGHT (CONTINUOUS)

Mitch and Dylan are still in their ghost costumes.

DYLAN
How do you know?

Mitch shrugs.

MITCH
Little things...

EXT. GARDNER RESIDENCE, POOL - DAY (FLASHBACK)

A pool party at Dakota's house. The heavy buzz of Summer. Bikinis all over the place and no insecurity, it seems.

MITCH (V.O.)
It became really apparent one day
at a pool party with all her
friends. I overheard about it.
Basically begged to go.

EXT. GARDNER RESIDENCE, POOL, ANOTHER AREA - DAY (FLASHBACK)

Carrie and Mitch stand side-by-side, looking at the chaos. Carrie turns to Mitch and speaks in an inaudible, seductive whisper.

MITCH (V.O.)
She said it'd be sexier to keep us
a secret. I'm literally embarrassed
to have even liked her.

Carrie runs off to greet her friends, leaving Mitch alone.

DYLAN (V.O.)
You shouldn't be embarrassed of how
you feel.

EXT. PLAYGROUND - NIGHT

Mitch, still in his ghost costume, looks at Dylan. Silence. She comes closer and slowly lifts his sheet, revealing the solemn face below. His eyes swell.

MITCH
I should be... When it might...

Tears break the surface. Mitch weeps. Dylan touches his back.

DYLAN
Might what? Mitch?

Mitch sobs harder. Dylan holds him and he leans into it, eventually simmering to sniffles. He shakes his head.

MITCH
Nothing.

He sighs. He looks at Dylan, biting back a smile.

MITCH
Take off the costume, Dillstick.

He pulls Dylan's blanket off, messing up her hair.

MITCH
I like you better alive.

He lays on her lap, using the ghost blankets as a pillow.

MITCH
(eyes closed)
That means a lot coming from me.

Dylan runs her fingers through Mitch's hair. He opens his eyes slightly, unseen by her, in hope and fear.

MITCH
...What do you think of Sawyer?

Dylan stops running her fingers through his hair.

DYLAN
Sawyer?

MITCH
Mhm...

DYLAN
Sawyer's brilliant.

Mitch laughs, turning over to look up at her.

MITCH
Brilliant?

DYLAN
Yeah! Don't you think?

MITCH
I mean, he's dope.

DYLAN
Dope?

MITCH
Yeah, he's dope!

Dylan rolls her eyes. Mitch considers his next question.

MITCH
What is your type anyway? Are you
attracted to him at all?

DYLAN
I'm not not attracted to him. Why?

MITCH
He wants to know if you'd go on a
date with him. If you'd say yes.

Mitch turns over to capture Dylan's full reaction, grinning.

DYLAN
STOP!

MITCH
Well?

DYLAN
Do you think I should go on a date
with him?

Mitch looks at her and suddenly turns away, facing forward on her lap. Neither can see the facial expressions of the other.

MITCH
Why does it matter what I think?

DYLAN
...Don't do that.

MITCH
I'd rather you didn't.

DYLAN
Why? ...Mitch?

MITCH
Sh. I'm sleeping.

DYLAN
What's your type? Someone like
Carrie?

MITCH
No.

DYLAN
Then who?

He weighs the risk.

MITCH
You know.

INT. VERLICE RESIDENCE, MITCH'S BEDROOM - NIGHT

Mitch lays in bed, stuck in the same position. He blushes and turns over to his other side.

INT. KLAYPOOL RESIDENCE, DYLAN'S BEDROOM - NIGHT

Dylan lays in bed on her side, watery eyed and biting her thumb. THUNDER rolls. She blushes and burrows into herself.

INT. VERLICE RESIDENCE, MITCH'S BEDROOM - NIGHT

Above the sound of steady RAIN, Mitch receives a TEXT. He jumps to the phone.

The text is from Dylan: "extra nasty."

He smiles hard, heart light.

INT. LANDRY RESIDENCE, CARRIE'S BEDROOM - NIGHT (MOMENTS LATER)

Carrie lights candles in a circle surrounding her. She wears her best nightgown.

MR. LANDRY (O.S.)
I BETTER SEE EVERY OUNCE OF TOILET
PAPER CLEANED UP BY TOMORROW NIGHT,
YOUNG LADY.

CARRIE
Keep it up an extra day, Dad.
Halloween's tomorrow. It'll look
cool.

She lights the last candle and looks at her PLUSH PIG,
PORKIE.

CARRIE
I heard the veil is thinnest
tonight, Porkie.

LIGHTNING STRIKES. She pulls out the tarot deck she bought
in the Summer. Shuffles.

CARRIE
How does Mitch see me?

The devil card pops out.

CARRIE
Ha-ha-ha very funny...

Porkie stares, an innocent bystander.

CARRIE
That can mean like sexy too tough,
right? Ok, whatever, Porkie... Is
there really something happening
between Mitch and Dylan?

The lovers card. Carrie stares at it, frozen, about ready to cry. She grabs Porkie, clutches him...

CARRIE
(softly)
What am I even doing?

After a moment, she reaches for the phone on her nightstand.

INT. CARRIE'S CAR, BLACK WILLOW ROADS - DAY (FLASHBACK)

Carrie checks her phone, following Mitch's location. It leads her to a DRIVEWAY.

CARRIE
What the fuck...

EXT. MARRERO RESIDENCE - DAY (FLASHBACK) (CONTINUOUS)

Carrie parks, watching with caution as drunk Mitch pounds on an unknown door. To Carrie's horror, TAMARA MARRERO emerges. Tears welling up, she watches the teacher console him in discomfoting closeness.

INT. CARRIE'S BEDROOM - NIGHT (FLASHBACK)

Carrie searches her room for anything Mitch related, throwing it in a box. She hesitates at the copy of Dracula,

shoves it in regardless. Carrie closes the box, sealing it in black.

INT. VERLICE RESIDENCE, MITCH'S BEDROOM - DAWN (PRESENT DAY)

Sunrise casts an orange light onto the box of Carrie's possessions. A RECORD starts. A Halloween record. Mitch's Halloween socks SLIDE right past the box. He DANCES.

INT. VERLICE RESIDENCE, LIVING ROOM - DAWN

Abiezer is sleeping on a chair. Mitch brings him Halloween-themed breakfast, kisses his head, and dips out in a rush.

EXT. VERLICE RESIDENCE, STREET - DAWN

Mitch puts on a MONSTER MASK and dances down the street towards Dylan's house.

EXT. KLAYPOOL RESIDENCE - DAWN

Mitch, still in his mask, puts a pink-kissed letter "from Carrie" addressed toward Dylan in the Klaypool mailbox.

INT. BLACK CAT COFFEE SHOP - DAY (CONTINUOUS)

Veda is setting up shop when Mitch trots in, still dancing. He yanks off his mask.

MITCH
HAPPY HALLOWEEN, COUSIN OF
MINE!!!!!!

He and Veda do their handshake. He pulls out a spooky bag.

MITCH
Your accessories for tonight.

VEDA
Nothing scarier than consumerism.

MITCH
My thoughts exactly.

Mitch readies to leave.

VEDA
By the way, where do you stand with
Carrie?

MITCH
Loathing, why?

VEDA
That's private information.

MITCH
Fair enough. Oh! I switched the set
up. Wanted to start stronger.

VEDA
What are we starting with?

The SONG starts.

INT. VERLICE RESIDENCE, MITCH'S BATHROOM - NIGHT

Song still playing. Mitch wears a graphic tee, shakes out his WET HAIR with a TOWEL. Then he removes it, revealing a fresh shade of electric blue. He grins, mouthing the lyrics to his band's Halloween song. He makes a bold performance move...

INT. HALLOWEEN DANCE - NIGHT

...and finished it on stage. Mitch performs in front of the whole high school, all dressed in costumes. He looks at Sawyer, who seems elated. Everyone loves it.

Everyone loves it except for Carrie. She's sitting down all crossed, looking away from the stage. Parker comes up to her, gesturing to dance. Carrie looks at Mitch, sly. Carrie steps on the dance floor, dances like a siren. Mitch makes

efforts to look away. He's out of it. Sawyer and Veda look at him with faces that say what's up? He falters more. They cover for him, end strong.

MITCH
Much appreciated, thank you!

Carrie looks smug. Veda looks at her like a cat to prey.

MITCH
I'd like everyone to give a cool
welcome please to none other than
The Walkie Talkies.

Stupid Ball Pit Cult exits the stage as THE WALKIE TALKIES enter it.

INT. HALLOWEEN DANCE, BACK STAGE - NIGHT

The Walkie Talkies play a song that muffles behind a curtain. Mitch sits, emotionally and physically exhausted. Veda walks right past him, on a mission. He clocks it, letting her be.

Mitch pulls out his phone, texts Dylan.

SAWYER (O.S.)
AHHH that was incredible.

Mitch looks up as Sawyer approaches. He's beaming.

MITCH
(quietly, looking at
his
phone)
Yeah. You killed it. Knew you
would.

Sawyer cocks his head and steals a glance at Mitch's screen.

SAYWER (O.S.)
"I wish you were here." Woah. Uh...
(MORE)

SAYWER (O.S.) (CONT'D)
where is Dylan anyway?

MITCH
Grounded.

SAYWER
I see. Did you, uh, did you get a
chance to ask. You know, about me?

MITCH
I did.

SAWYER
And?

MITCH
She called you brilliant and not
unattractive.

SAWYER
Oh. Ok. Ok. Yeah?

MITCH
Yeah, man. I just, uh...

A STAGE HAND rushes in, whispering into Mitch's ear.

MITCH
(to Sawyer)
One sec.

Mitch goes with the stage hand. Sawyer nods, left alone.

INT. BLACK WILLOW ACADEMY, HALLWAY - NIGHT

Sawyer, hands in his pockets, walks through an empty
hallway. Lights flicker. He reaches into his coat pocket,
drinks from a flask.

He hears a noise: someone hyperventilating. On the ground, he finds a CLASSIC WITCH'S HAT. He looks around, walks forward.

At the end of the hallway, Sawyer sees a girl pacing in a gorgeous, gothic, black ballgown below a cape.

SAWYER
H- hello?

The girl turns around. It's Dylan. She looks beautiful.

SAWYER
You dropped this. Wouldn't be much of a witch without it, would you?

DYLAN
No, I wouldn't. Thank you, Sawyer.

Dylan takes the hat, holds it at her side.

SAWYER
I thought you were grounded.

Dylan shrugs, distracted.

SAWYER
You're missing the party.

DYLAN
I can't go in there like this.

SAWYER
Why not?

DYLAN
Isn't it too much?

SAWYER
...Only if you want to be forgotten.

Dylan thinks. She tilts her head down, puts on the hat...

INT. HALLOWEEN DANCE - NIGHT (CONTINUOUS)

...she takes off her cape, letting it float down the steps of a grand staircase.

Mitch stands at the bottom of the staircase with his back to it, hovering over the fog machine. He gives it a final screw.

MITCH
(to the stagehand)
Ha! I got it!

He follows the line of fog as it spreads across the room and climbs the staircase, all the way up to Dylan's draping gown.

Ever so slowly, Dylan reveals her face from below the hat. Everyone is in awe, but the most in awe is Mitch. It's more than her looking pretty. It feels... powerful. Harmonious.

Then, a CONFETTI CANNON goes off and a thousand black hearts spew out of it. LAUGHS are soon met by somber whispers. Mitch picks up a heart, reading the text on it.

MITCH
"Kill yourself, Carrie Landry."

Everyone's attention shifts to Carrie, a circle of students forming around her. Mitch looks back and forth between her and Dylan. And he goes to Carrie.

MITCH
Are you OK?

CARRIE
Fine...

She's about to cry. The crowd parts as they walk through it.

EXT. BLACK WILLOW ACADEMY - NIGHT

Moonlight casts a cold glow over the cobblestone steps.
Carrie sits beside Mitch.

CARRIE
For a second, I thought you did it.

MITCH
My guess is Veda.

CARRIE
Ugh. She's such a freak. Why are
you two even friends?

MITCH
Our parents were cousins. We're
second cousins.

CARRIE
So?

MITCH
She's family. We grew up together.
She defends me-

CARRIE
I'm sorry, defends you? From
fucking what? Was I not the one you
cheated on? Now you think I deserve
death threats?

MITCH
No I don't think that. That would
make me a terrible person and I
seriously have to reconsider my
relationship with her now. But for
the last time, I did not cheat on
you.

CARRIE
I saw it.

MITCH

What?

CARRIE

I followed you after the party. I saw you two together.

MITCH

That's because Ms. Marrero is my aunt.

Carrie pauses, then LAUGHS.

CARRIE

Hey. What's a guy to do when he's related to every woman town?

Mitch looks at her. That was way out of line and not OK.

MITCH

Are you accusing me of incest?

Carrie makes a face: uh duh.

MITCH

And my aunt, the only mother figure left in my life? Who could lose everything if that rumor got out?

CARRIE

Maybe she got the taste for fucking family from your mom. Hm? Why else would you be so obsessed with ghosts?

Mitch stares at her, incredulous.

MITCH (V.O.)

And that, ladies and gentlemen, was the moment of my exorcism.

INT. BLACK WILLOW ACADEMY, HALLWAY - NIGHT (CONTINUOUS)

Mitch runs through Black Willow Academy, decided on Dylan.

INT. HALLOWEEN DANCE - NIGHT (CONTINUOUS)

Mitch bursts through the Halloween Dance doors.

MITCH
Dylan?!

She's not there.

INT. BLACK WILLOW ACADEMY, ANOTHER HALLWAY - NIGHT

A cluster of STUDENTS stands in his path, chatting casually. Mitch barrels through them, shoving a boy aside.

MITCH
Pardon me! Dylan!

He runs, desperation mounting, and notices Ms. Marrero's classroom door ajar. He slows.

INT. BLACK WILLOW ACADEMY, MS. MARRERO'S CLASSROOM - NIGHT

Mitch, out of breath, opens Ms. Marrero's classroom door. Dylan is there. Slow dancing in Sawyer's arms.
